Hardware Resale Information

Hardware Resale Program

- ITS has purchased and keeps a stock of **new computing equipment** for resale to departments
- ITS will have the equipment on-hand in the Frey Computing Services Building.
- All devices supported by ITS or your local TSP
- All Devices will come with 3+ years of factory warranty
- All equipment will be tested before sold (and if desired imaged and ready for clients)
- ITS will assist with any warranty related concerns immediately after purchase.

Other Advantages

- All equipment sold will be LSU tagged
 - No longer need to have property come to you to tag assets
 - We worked with Property and ITS will tag equipment and then transfer the Asset to the department making the purchase
- Variety of Hardware specifications
- FAST turnaround for purchased equipment as it is already on campus
- **No more guessing if you can get it here before June 30th.**
