Operating Procedures for Motion Picture/Video/Film or Photography of the LSU Campus

While LSU’s primary mission is education, the University is also available on a limited basis for other projects such as the filming of television shows, movies, commercials, and other media as long as it does not interfere with the University’s primary educational mission and necessary day to day functions.

These operating procedures have been developed to clarify under what circumstances the LSU campus may be used as a location for motion pictures, video, film or photography. This process must be followed to obtain a Permit for Filming, Videotaping or Photographing and/or a Location Agreement. A permit or agreement is required for filming, videotaping and photographing of the LSU campus.

A. Permit Requests
   All requestors for a Permit for Filming, Videotaping, and Photographing and/or a Location Agreement must complete an application. This application and complete script are submitted to the Office of the Vice Chancellor for Finance and Administrative Services. Applications may be received via email to aterrito@lsu.edu or via mail at the following address:

   Film/Video Coordinator  
   Finance and Administrative Services  
   Louisiana State University  
   330 Thomas Boyd Hall  
   Baton Rouge, LA 70803

   The completed application and script are forwarded for joint review by Finance and Administrative Services and University Relations. If approved by both departments, the process of identifying specific sites, dates, and times can begin.

B. Fees
   Permit fees and location fees are based on a number of variables. The length of the shoot, locations involved, type of production and LSU services needed all factor into the total cost.

   In certain limited instances a permit may be issued and a fee waiver may be granted for uses such as public service announcements.
Permit Fees
These fees are based on a half day or whole day rate. A half day is any day that is six hours or fewer. A whole day is any day that is between six and twelve hours. Requests for days longer than twelve hours will occasionally be considered.

Other forms of media are not exempt from this fee and will be handled on a case by case basis.

Incidental Filming
Incidental filming does not require a permit and is not charged a fee. Incidental filming includes uses such as: filming for non-commercial or internal use, class projects, or personal use. This filming requires no special services and does not in any way disrupt the normal functioning of the University. This filming cannot be used for commercial purposes after the fact without written permission from the Office of the Vice Chancellor for Finance and Administrative Services. Please contact Ashley Territo with Finance and Administrative Services via email at aterrito@lsu.edu to obtain written permission for commercial use.

Location Fees
Location fees are charged in addition to permit fees and are charged per day. A representative sample of location fees is listed below. There are established location fees for certain spaces like athletic venues, Student Union and other buildings that will be used. These location fees do not include fees for University services such as LSU PD; Parking, Traffic and Transportation; Facility Services; and Landscape Services. The actual cost for those services is added to the total production cost. Estimates are provided below for the University services and are subject to change.

C. LSU Identification and Appropriate Use of Campus Images
   No identification of LSU as a location is permitted, except in rare instances and only
   when the specific use is submitted for prior approval to the Office of the Vice Chancellor
   for Finance and Administrative Services. The request will be reviewed by Trademark
   Licensing, University Relations, the Vice Chancellor for Finance and Administrative
   Services, and the Chancellor. The request will only be approved when it is deemed to be
   in the University’s best interests.

   Identification includes but is not limited to trademarks, icons, widely recognizable
   University landmarks, and the use of merchandise containing trademarked images/logos
   (ie. flags, apparel, posters, miscellaneous items containing logo, etc.). Identification also
   includes verbal references on film.

D. Permit or Location Agreement
   Once the script/storyboard is approved, the shooting schedule will be finalized and
   approved. The need for University services from LSU PD; Parking, Traffic and
   Transportation, Facility Services, and Landscape Services will be reviewed. If
   applicable, these services will be estimated and attached to the Location Agreement. For
   shoots in which these additional services are not needed, the University has the option to
   issue a Permit for Filming, Videotaping, and Photographing instead of a Location
   Agreement. A sample of the permit and agreement is available at the end of this
   document and are subject to change.

E. Insurance
   The University may request the production to have insurance with Louisiana authorized
   insurers in the amounts stipulated below and provide a Certificate of Insurance naming
   the Board of Supervisors of Louisiana State University and A&M College as additional
   insured. (See below for exact phrasing.) This must be received no fewer than seven days
   before shooting begins.

   1. Workmen’s Compensation – Statutory Limits
   2. Comprehensive General Liability, including Personal Injury Liability
      coverage - $1,000,000.
   3. Board of Supervisors of Louisiana State University and Agricultural and
      Mechanical College, its officers, employees, agents and volunteers are to be
      named as additional insureds.
   4. To provide certificate(s) of insurance prior to or with the signed Location
      Agreement which are not subject to cancellation without thirty (30) days
      written notice to University.
F. Payments and Deposits
The University has the option to require a deposit before a permit or agreement will be granted. This deposit is to be received no less than five business days prior to the beginning of the first day of shooting on campus.

Full payment for all costs incurred is due to the University within thirty (30) days of the date of the final invoice.

Payment is to be made payable to LSU and sent/delivered as follows:
   Film/Video Coordinator
   Finance and Administrative Services
   Louisiana State University
   330 Thomas Boyd Hall
   Baton Rouge, LA 70803

G. Cancellation
If written notice of cancellation for an approved permit or agreement is received before the production begins, then the production is liable for any actual costs incurred by the University as of the receipt of the cancellation notice.

University shall have the right of cancellation if the Permit or Agreement holder is deemed insolvent or, in LSU’s sole opinion, shall fail to perform any material term in the Agreement after having received written notice from the University to do so.

H. Script Review
A copy of the final script (storyboards might be acceptable and judgment will determined on a case by case basis) must be submitted with the application. The review process can take up to ten (10) working days. Any changes or revisions should be brought to the attention of the Film/Video Coordinator. Substantive script changes could cause the University to withdraw its permission. (A permit or agreement cannot be issued without a script.)

I. Scout Visits
Scout visits are not only helpful to the production, but also helpful to the University in order to clearly determine the needs of the production. A request for a scout visit is made to the Film/Video Coordinator. This visit takes place with the Film/Video Coordinator or other designee that is well acquainted with campus and can advise you as to how to make your time on campus most effective.

Permission for scout visits does not constitute approval by the University for the use of its facilities.
