PS 36T, pages 35-37 (cont'd)

- Provost

PS 36T, pages 35-37 (cont'd)

Extensions under COVID-19

➤ **Who is eligible?**

- Same group
- COVID-19 extension does not count as one of the two extensions provided for under PS 36T

➤ **Eligible under what circumstances?**

- This is the one and only time a faculty member may use COVID-19 as the justification for an extension

Extensions under COVID-19

- **When should a request be made?**
 - At the recommendation of the Faculty Senate this is an **opt out** process
 - All untenured faculty members have been granted a one-year extension of the tenure clock
 - This extension also delays the third-year review for faculty in their first two years of service
 - If you accept this extension, you do not need to do anything

Extensions under COVID-19

- **Considerations prior to approval**
 - None, it is automatic

- **Who considers the request and approves**
 - HRM will batch upload the extensions into Workday

Extensions under COVID-19

➤ Revocation

- If you know now, e-mail an opt-out request by May 1 to jcassid@lsu.edu
- In the future you may initiate the request by April 1 prior to your original mandatory year

➤ Communication during the P&T process

- Same

Q&A

- ✓ Will we get an extra year to use startup funds that were supposed to be used by our third year with the extension?
- ✓ My clock is different from others. How will this affect me?
- ✓ When will faculty currently in the process hear the results?
