University Closed on Thursday, July 04, 2024 for 4th of July Holiday which is also bank holiday.
Close Time Entry
The Close Time Entry date in Workday is 90 days from the payment date for the time period. After this date no adjustments can be made in Workday for the time period. The 90 days coincides with the cost transfer timeline for sponsored agreements. Requests for time entry adjustments to be processed beyond 90 days must be submitted using the AS420: Supplemental Timesheet and must include an explanation of the extenuating circumstances that prevented the time from being entered or adjusted in Workday within the 90 day period. The AS420 has been revised to now include the justification field.

Academic Dates
All campuses use a standard academic year for Payroll purposes. The academic dates are as follows:

- **Academic Year**: 08/15 -- 05/14
- **Fall Semester**: 08/15 – 12/14
- **Spring Semester**: 01/15 – 05/14

Quick Guide for Work Study & President’s Student Aid
- **Work Study (WS) or President’s Student Aid (PSA)** is designated with a Specific Job Profile
  - Job Profile **MUST** match award
  - For example student with PSA award must be in PSA Job Profile not Work Study Profile
- **PSA or WS must ALWAYS be the PRIMARY job** for the student.
  - Work for any other department will ALWAYS be an ADDITIONAL job or jobs
- **Student must be hired TIMELY.**
  - Late hire/data changes will not retroactively pay on the correct earning and corrections cannot be made.
- **Work Study cost allocations must be loaded at the Worker-Position level** using the department account where any amounts over the limit will be charged.
  - **No Worker Position Earning for WS**
- President’s Student Aid cost allocations must be loaded at the **Worker-Position-Earning level** using the PSA account established for the hiring department.

All of the above elements must be in place at the time payroll is processed for the Award to apply to the student and pay on the correct PSA/WS earning.

Civil Service Market Adjustments
The Civil Service Market Adjustments are effective 07/15/2024. The wage checks on 08/02/2024 for the period ending 07/26/2024 will be the first checks to reflect the increase. Any questions related to the Market Adjustments should be directed to HR at 578-8200 or hr@lsu.edu.

Expired or Missing Cost Allocations will result in an error in the payroll process and **will prevent payment to an employee.** HR partners, Cost Center Managers and Student Employment Partners must perform ongoing audits of cost center expiration dates and initiate timely changes prior to payroll run dates. The report—**Costing Allocations Ending Within Prompt Date** will help identify employees with expiring cost allocations.

Cost Allocations Notes
Cost Allocations on the Create Position transaction must have a begin date equal to the date the position is created. This is typically the date the transaction is entered.

Position Restriction Cost Allocations should not have an End Date. The Position Restriction allocation should be viewed
as the commitment budget for the position and must cover the entire life of the position. Cost Allocations can be updated as needed.

When adding a new Cost Allocation be sure to end the old allocation and add an additional record. Just updating the Start and End dates of the current allocation will not preserve the audit trail and will cause an error in the payroll result.

Costing Allocations for Period Activity Pay (PAP)
When processing costing overrides for period activity pay, please be aware of mid period end dates. If the Activity End Date falls mid period, then the Payment End Date should be the Period End Date for the Employee Type. For example, if the activity end date is 10/5 and the employee is in the academic pay group, the Payment End Date should be loaded as 10/14.

Compensation End Dates
Student and Graduate Assistants who are graduating in December should be loaded with a compensation end date in order to avoid a potential salary overpayment. This practice should be used each semester with graduating students.

Departments should run the Employee Compensation Status report in order to identify employees with compensation end dates that need to be continued. This will avoid surprises on Pay day when an employee is expecting a check and does not get paid.

Timely Termination of Employees
Employees who are no longer working should be terminated in the Workday system. If you have a student or WAE employee who is no longer worker, please process a termination immediately. Leaving employees active in the system who are no longer working increases the risk of Payroll fraud or loss of university assets.

Payroll Accounting Adjustments
Departments should contact the Payroll office if a Payroll Accounting Adjustment (PAA) needs to be cancelled or rescinded. Request should be e-mailed to Katie Maglone at kmaglone1@lsu.edu.

Reminder: Payroll Accounting Adjustments affecting FY 23-24 must be completed by Monday, July 08, 2024.

Merchandise for Resale
For those units who carry inventory of merchandise for resale:

- Inventory procedures were due June 20.
- July 5 - Final inventory counts are due.

Inventory procedures and final inventory counts should be e-mailed to Jennifer Richard at jgendr1@lsu.edu.

Service Centers & Recharge Operations
- FY 24 Service Center Revenue and Expense Reports are due to Budget and Planning by July 10, 2024. All final accruals should be included in the report.
- FY 25 rate sheets are due to Budget and Planning by July 19, 2024. Internal billing journals should not be processed until Accounting Services has notified the departments that the FY 25 rates have been approved.

Instructions and forms can be found on the Budget and Planning website.

Reports
A list of the recommended reports for departmental use to assist with reconciliations and management of funds is available on the Workday Training webpage at the bottom under Reporting > Finance Reports by Functional Area.

Reconciliation Reminders
The following are some reminders for monitoring revenues and expenditures throughout the year:
• Review and reconcile reports/ledgers.
• Monitor budget to actual expenses by account and ledger on a quarterly basis.
• Process budget amendments, cost transfers, payroll accounting adjustments and internal billings for services rendered as needed.
• Request closure of accounts that are inactive or are no longer needed.
• Record CARD entries in a timely manner.
• Ensure worktags are not overdrawn.
• Investigate and correct errors.

Cost Transfers
The following are tips when completing cost transfers:

• The journal source should be “Manual Journal” not “Accounting Journal – Corrections.”
• The journal line needing correction must be reversed with all related worktags. All information should be the same as on the original entry, with only the amount moving from debit to credit or vice versa.
• Run a journal line detail report with all worktags visible and print it to PDF to use as backup. Avoid printing, highlighting, and rescanning the report because the size of the text causes it to become illegible. Instead, use the highlight and comment tools in Adobe to note which lines are being transferred.
• On partial transfers, note the amount being moved.
• FD940 is not required on an entry – please only use if balancing error is received when submitting the journal.
• A common source of errors is the “Additional Worktags” box. Verify all worktags listed under “Additional Worktags” prior to submitting.

In addition, the AS32: Stop Payment Request and AS500: Request for Copy of an LSU Check forms can be found at FAR forms. Please ensure the most recent version is used when requesting information. Completed forms can be scanned and e-mailed to bankrecon@lsu.edu.

Unclaimed Deposits/Wire Transfers
Departments that are anticipating funds (ACH or wire transfers to LSU) should contact bankrecon@lsu.edu. Please be able to provide estimated date of deposit and amount.

Unclaimed Property FASOP
The University has published an Unclaimed Property operating procedure. The Louisiana Uniform Unclaimed Property Act (Louisiana Revised Statutes 9:151-182) requires businesses and others to review their records each year to determine whether they are in the possession of any monies, funds, securities, or other intangible personal property that have been unclaimed for the required dormancy period. All departments should review to ensure compliance with the procedure.

Also, unexpended balances will be refunded to BOR and submitted with the final financial report. If you have any questions, please contact your SPA grant contact.

Tentative Account Numbers
A copy of the budget and budget justification should be attached to a Request for Tentative Account Number. This allows SPA to approve expenditures more effectively. For LSU, please forward all requests to Michelle Pennington in the Office of Sponsored Programs. Other Campuses should forward to the Sponsored Programs Office for their campus.

Extensions/Rebudgeting/Amendments
Extension approvals, rebudgeting approvals, and amendments to existing agreements for the Baton Rouge campus, including Veterinary Medicine, must be routed through the Office of Sponsored Programs (OSP) via GeauxGrant. OSP will forward the documents to Sponsored Program Accounting (SPA). Other Campuses should route through the Sponsored Programs Office for their campus.

Reminders
Key Personnel
LSU’s cost sharing policy (FASOP: AS-06) states that cost sharing should be committed only when required by the sponsor as a funding stipulation. The salary for key personnel included in the approved budget should be charged directly to the sponsored agreement. Cost sharing in lieu of directly charging the sponsored agreement as a way of documenting key personnel effort is contrary to University policy since effort can only be cost-shared if required by the sponsor.
SPA continued...

Additional Reports tab of the award. The Grant Manager will work with the departments on getting the information to the sponsor as quickly as possible. If an award or grant has not been established, contact the appropriate Sponsored Programs Office. Additionally, if your department receives a payment from a sponsor, please forward it to SPA for deposit to ensure it is recorded properly.

CARD entries
When grants are processed on CARD entries, revenue categories should never be used, only spend categories. Please consult with the Grant Manager before using grants on CARD entries.

Expiration notification letters are e-mailed to Principal Investigators 30 to 60 days before their sponsored agreements expire. These letters serve as a reminder that the agreements are scheduled for close out.

Administration

Unclaimed Property Notifications
If a department receives notification regarding unclaimed property due to their department, please submit the correspondence to Accounting Services. Any information or history related to the referenced unclaimed property would be helpful in determining if the claim is legitimate and LSU is due the unclaimed property. Accounting Services will complete the paperwork, obtain signatures, and submit the claim.

W-9 Requests
All requests for a W-9 should be forwarded to Brenda Wright at bwrigh4@lsu.edu or Desiree Esnault at desnault@lsu.edu. This document must be signed by Associate Vice President Elahe Russell on behalf of the university. The W-9 will be sent directly to the vendor from Accounting Services with a copy sent to the requesting department.

Shredder
Accounting Services has an industrial-sized shredder located on the 4th floor of Thomas Boyd Hall that departments can reserve. To reserve the shredder, please send an e-mail to Brenda Wright at bwrigh4@lsu.edu or Desiree Esnault at desnault@lsu.edu. The e-mail should include the day and time of your requested appointment. In an effort to allow all departments across campus to utilize the shredder and maintain the work flow internal to our office, we have limited the use to 2-hour increments. Appointments can be made for 8:00 to 10:00 am, 10:00 to 12:00 pm, and 1:00 to 3:00 pm. If a department is more than 15 minutes late, the appointment may be rescheduled. If a department has a project that includes a large amount of paper to be shredded and a timeline to abide by, we will do our best to accommodate. Any departments using the shredder will be trained on how to safely operate the shredder, clean the general area, and proper disposal of the bags of shredded paper. Note that the shredded bags of paper must be transported to the dumpster outside T Boyd & LSU Library and can be fairly heavy when being moved. Also, due to budget constraints, departments with a large amount of shredding may be required to purchase and replenish shredder bags and oil. Note: this equipment does not dispose of microfilm or microfiche- it is intended for paper only.
