Financial Accounting & Reporting

Internal Billings
An Internal Billing is a Manual Journal in Workday that enables departments to bill other departments or campuses for services rendered or merchandise sales. Internal Billings should be initiated by the department rendering the service or sale.

A step-by-step job aid can be found on the Workday Training webpage at Finance Training
- Financial Accounting
  - Create Journal Entry: Internal Billing

Important Reminders
- Worktags on Internal Billings must match the attached supporting documentation – please do not use Legacy Account numbers
- Internal Billings should be initiated by the rendering department
- Appropriate documentation, including detailed information about the services or merchandise, must be attached
- There should be no travel spend categories on Internal Billings
- Rendering departments must be an established service center to charge a sponsored agreement account (excluding gift, University Foundation, and expired fixed price)
- Verify the Company on the line matches the Driving Worktag used – for example, PG003159 LSUAM | Accounting Services must have Company: Louisiana State University and Agricultural and Mechanical College
Cost Transfers
The following are tips when completing cost transfers:

- The journal source should be “Manual Journal” not “Accounting Journal – Corrections.”
- The journal line needing correction must be reversed with all related worktags. All information should be the same as on the original entry, with only the amount moving from debit to credit or vice versa.
- Run the report “Journal Line Details” and print it to PDF to use as backup. Avoid printing, highlighting, and rescanning the report because the size of the text causes it to become illegible. Instead, use the highlight and comment tools in Adobe to note which lines to use or if a partial transfer is being done.
- On partial transfers, note the amount being moved.
- FD940 is not required on an entry – please only use if balancing error is received when submitting the journal.

The “Create Journal Entry: Correcting Journal” job aid provides specific instructions on completing a cost transfer and can be found on LSU’s Workday training webpage.

Bank Reconciliation
Contact us at bankrecon@lsu.edu for questions/requests related to the following:

- Stop payment requests
- Check copy requests
- Check status requests
- Unclaimed property
- Unrecorded deposits
- Expected wire or ACH payments

In addition, the AS32: Stop Payment Request and AS500: Request for Copy of an LSU Check forms can be found at FAR Forms. Please ensure the most recent version is used when requesting information. Completed forms can be scanned and e-mailed to bankrecon@lsu.edu.

** Unclaimed Deposits/Wire Transfers **
Departments that are missing funds (expected ACH or wire transfers to LSU) should contact Stephanie Laquerre at 578-1450 or bankrecon@lsu.edu. Please be able to provide estimated date of deposit and amount. If you wish to be added to the monthly unclaimed deposit notifications that are e-mailed, please e-mail your name and contact information to bankrecon@lsu.edu.

Petty Cash
The university will no longer accommodate petty cash funds within departments and units. If funds are needed for an event, an AS750: Petty Cash Check Request should be e-mailed to Stephanie Laquerre at slaquer@lsu.edu and Jennifer Richard at jgendr1@lsu.edu using Melanie Powell (SPL-44555) as the supplier. Once received, the check can be cashed at the vault in Bursar Operations, 125 Thomas Boyd Hall. When the event is over and the cash is no longer needed, the deposit of funds should be recorded in the Customer Accounts Receivable and Deposit (CARD) application to record the deposit of the funds. A job aid is available for the CARD application.

Employee reimbursements will be processed by submitting an expense report in Workday. A job aid for this process is posted under Expenses on the Finance Training tab of the Workday website.

For non-worker reimbursements (university guests or non-employed graduate or undergraduate students), Expense Reports for Non-Workers should be created in Workday.
in lieu of submitting the paper forms AS300-NW: Travel Expense Reimbursement Request and AS541-NW: Reimbursement to a Non-worker. For international guests/visitors, the paper AS300-NW and AS541-NW forms are required to be submitted to the AP & Travel Office and will be processed via the Supplier Invoice Workflow for the payment to be sent by WIRE.

Expense Report for Non-Workers job aid can be found on the Workday Training website.

Payroll

TAX TOPICS
International Employees
Tax treaty benefits expire December 31, 2023. Any employee who is eligible for treaty benefits for 2024 should attend the tax treaty workshop on one of the following days:

Monday, November 6 or Tuesday, November 7
8:30 am to 4:00 pm
Lobby of Thomas Boyd Hall

Employees must bring their Passport, Visa, I-94, I-20 and DS2019 with them in order to complete the paperwork. Completion of the required forms will take about 20 minutes.

Invalid or Temporary Social Security Number
A valid social security number is required for employment, and for W-2 reporting of employee earnings to the Internal Revenue Service. Please make sure that all employees with temporary 999 numbers have obtained a valid U.S. Social Security Number and that the U.S. SSN has been updated in Workday. LSU may face a monetary penalty from the IRS for failing to include the employee’s correct SSN on W-2s and other wage reports. If you have questions, contact Dianne Bohn at dbohn1@lsu.edu.

Tax Withholdings
In Workday all payment for extra earnings and late pay transactions are made on the regular pay cycle - there are no supplemental payrolls in Workday. Please see the payment of extra earnings job aid. Any late or retro salary increases or late time submission is paid on the next regular payroll and not a supplemental payroll. Since these type of payments are now included with the regular paycheck, the employee’s taxable income, and thus taxes, are increased for any affected payroll. The earnings are being taxed correctly in accordance with the IRS tax withholding tables. The employee can adjust their W-4 and/or L-4 at anytime in Workday to help minimize these tax effects.

The job aid for changing withholding elections can be found at Training for Employees.

Address Changes or Corrections
Please verify that the address is correct on the Contact tab in Workday for employees who work in your department. Having a correct address is important when payroll information including the W-2 has to be mailed to an employee. The View and Change Home and Emergency Contact job aid provides instructions on updating address information in Workday.

Timekeepers
The following reports should be run to identify any time that has not been submitted or approved to ensure all time is paid correctly. As always, we recommend that all timekeepers run these reports weekly.

- Time Not Submitted
- Time Not Approved
- Workers with No Time Entry

Insurance Coverage at Retirement
Health premiums for retirees are determined by health participation as an active employee prior to retirement. Employees are encouraged to contact Human Resources for a vesting participation audit prior to retirement in order to ensure continuation in the OGB or LSU First Health plans are affordable and fit their changing needs due to retirement. Retiring employees must complete form GB-01 with Human Resources.
within 30 days of retirement or coverage will be terminated. Employees who do not continue benefits into retirement will not be eligible to return to state coverage as a retiree.

**Sponsored Program Accounting**

**Checks**

Departments should **promptly** forward checks for sponsored agreements to Accounting Services, 204 Thomas Boyd, Attn: SPA. Checks for sponsored agreements on the AG Center campus should be sent to Ag Center’s Sponsored Programs Office who will forward to SPA. Please include all identifying documentation with the check, such as the LSU account number, principal investigator name, proposal number, and a name and phone number to contact, if necessary.

**Closeout Period**

Closeout periods for sponsored agreements is usually 30 to 90 days (some awards are less than 30 days) after the expiration date of the award. The 30 to 90 day period is intended for paying outstanding bills. All work must have been completed and all items purchased must have been received by the expiration date of the expiring award.

**Invention/Patent Certifications**

All invention/patent certifications must be sent to Spencer Rogers, Innovation & Technology Commercialization Director, Office of Innovation & Technology Commercialization (ITC), 800 Innovation Park Drive, Building 300, **itc@lsu.edu** after being signed by the Principal Investigator. For Ag Center, the certifications must be sent to Wade Baumgartner, LSU Agriculture Center, Office of Intellectual Property.

**LA Board of Regents ENH and R&D awards**

Rebudgeting requests must be submitted to BOR for expenditures in line items not included in the original budget. These requests must be routed through the appropriate Sponsored Program office.

Prior approval of the Board of Regents (BOR) is required for the purchase of equipment not listed in the approved budget, unless the change in equipment involves no more than a change in make or model number.

Also, **prior** approval must be obtained from BOR to reduce the amount of salaries for graduate assistants. If approval to rebudget funds from the graduate student category is not received, the remaining balance in the graduate student category will have to be refunded to BOR along with the associated F&A costs. Rebudget requests reducing graduate student support must include the associated tuition remission cost sharing reduction. Note, tuition remission is not calculated on the Student Allowance therefore, if a graduate assistant is paid a Student Allowance during the summer when they are not enrolled, a request to reduce the tuition remission cost sharing must be submitted if tuition remission cost sharing was committed.

A complete list of the categories requiring prior approval can be found in Section IX of the contract from BOR titled Rebudgeting. Please be aware that the BOR does not approve such requests **after the expiration date of the contract**.

**No Cost Extensions**

PIs should request no cost extensions if the work (including deliverables) is not completed on sponsored agreements by the expiration date. It does not matter if the agreement is cost reimbursable or fixed price. Requests for extensions must be routed through the appropriate Sponsored Programs Office before submitting to the sponsor. Requests for no cost extensions must be made before the expiration date and in accordance with the agency’s guidelines.

Foreign Source Reporting
Section 117 and Act 767 requires LSU and Affiliate Organizations to report any foreign-sourced gifts, contracts, grants, donations, scholarships, and pledges during a calendar year. Reports are filed to the Department of Education and Board of Regents semi-annually. The upcoming report date is as of December 31, 2023 and is due by January 31, 2024. Bursar Operations is responsible for information gathering and reporting from individual departments. More information can be found at FASOP: AS-35 and questions can be directed to Mary Catherine Gillespie at mgille7@lsu.edu.

International Payment
International students may pay their student account balance using Flywire. The Flywire payment option is included on the Fee Bill and Billing Statement. Flywire commits to providing the best exchange rates.

1098-T Forms
Students can access their 2022 1098-T forms at myLSU > Financial Services > Tax Documents. Questions regarding 1098-T forms can be directed to bursar@lsu.edu.

Credit Card Merchants
Elavon has converted how American Express is settled on the backend. Merchants should see no change in the accepting of American Express. The reports from Elavon now show one deposit for all credit card transactions. Merchants no longer have to break out the American Express MOP on their CARD entries. Any questions concerning the recording of revenue for credit cards should be directed to Jennifer Richard at jgendr1@lsu.edu or John Milligan at jmilligan@lsu.edu.

eMarkets
eMarkets allow departments to provide customers with a secure, PCI compliant, online payment option for conferences, summer camps, advertising, etc. eMarkets cannot be used for any student-related charges. Questions regarding eMarkets can be directed to John Milligan at jmilligan@lsu.edu.

Scanned CARD Entries
CARD entries that do not contain cash, checks, or money orders can be scanned and e-mailed to cardobo@lsu.edu. All approvals and supporting documentation are still required for the CARD entry to be worked. If you do not have access to a printer and/or scanner, we will accept any of the following:
♦ Sign electronically (using phones and/or computer mouse).
♦ Provide images of the CARD entry with all supporting documentation that contain clearly visible signatures.
♦ The approval can be obtained via an e-mail directly from student/faculty/staff. If the authorization is received via e-mail without a signature, it must come directly from the user's authenticated myLSU account and not a secondary e-mail account.

University Cashier
Departmental deposits can be dropped off in-person between 10:00am – 11:45am and 12:30pm – 4:00pm, Monday – Friday.
Accounts Payable & Travel

Invoice Processing
Direct charge and purchase order invoices should be sent to aptravel@lsu.edu. Please respond to Direct Charge and PO staff e-mails to ensure continuous processing of all invoices. For any on-demand or special handling requests for extenuating circumstances, please contact Jessica Hodgkins at 578-1541 or jhodgkins1@lsu.edu or Valery Sonnier at 578-1531 or vsonnier@lsu.edu.

Special Handling
As a reminder, LSU outsourced the check-printing function to JP Morgan. If special handling is requested for a check, the check is returned to LSU via FedEx overnight. This means that there is a 24-hour delay for the check to be available for pick-up. Please plan accordingly.

Aged Listing of Outstanding Encumbrances Report
Departments are encouraged to utilize the Aged Listing of Outstanding Encumbrances Report to review purchase order balances and to ensure payments have been processed. The following filters are available on the report:

- Search by purchase order date
- Ability to remove “zero” dollar lines from the report

LaCarte

Delinquent Outstanding LaCarte Card Transactions
Expense reports should be created for LaCarte and CBA transactions with complete cost documentation and submitted for approvals no later than 30 days from the date of the purchase/transaction. To date, there are 925 FY23 transactions outstanding. To avoid suspension of cardholder privileges, it is imperative that immediate action is taken to reconcile LaCarte transactions, not related to future travel. For questions, please contact DeAnna Landry at 578-8593 or deannal@lsu.edu.

Annual Cardholder Review
As a reminder, each Department Head is required to conduct an annual review of their unit’s LaCarte cardholder profiles, spending limits, and last usage date to determine if each employee should retain his/her card and/or if the cardholder’s spending limit should be adjusted. AP & Travel provided a list of the unit’s cardholders that should have been reviewed and certified by the Department Head. The deadline to return the listing to AP & Travel was October 13, 2023, where the information will be centrally filed. If you have received a reminder e-mail to complete the review, please ensure the review has been completed and signed by the Department Head and returned to 217 Thomas Boyd Hall.

LaCarte Card Distribution
We are still holding LaCarte cards that have been awaiting pickup greater than 30 days. If the LaCarte card is no longer required, please contact DeAnna Landry. Cardholders are encouraged to complete the appropriate online training (i.e., LaCarte Distribution or Renewal Certification Training), and will be notified by e-mail of available dates and times to pick up the card at the location designated in the e-mail.

As a reminder, it is imperative that cardholders take the correct training. If the correct training is not taken, the cardholder will be unable to receive his/her new/replacement card. For cardholder questions and/or special requests, please contact DeAnna Landry at deannal@lsu.edu.

Users must click, **Book a Trip** on the left-hand side of the screen to be taken into the Concur site. The online booking fee is $7.

### Unused Tickets
Departments are encouraged to monitor unused tickets and reuse eligible tickets as applicable. For unused tickets where a traveler will not travel prior to the ticket expiration date, departments should use eligible unused tickets on other traveler’s airfare booking. **Departments are encouraged to implement a business process to analyze eligible unused tickets and work with a CBT Travel Advisor to reuse the tickets on airfare bookings, regardless of the originator of the unused ticket.**

**Reminders:**
1) Unused tickets for domestic travel will automatically be applied in the CBT Concur Online Booking system for owners of the original unused ticket. The system is configured to apply the unused ticket. The use of the unused ticket will be displayed on the “final ticketed” airfare itinerary. The Concur system will only apply an unused ticket to a new airfare booking if the same airline is being used.
2) A CBT Agent must be contacted for the following:
   a. Unused ticket will be reused toward an international airfare booking.
   b. Unused ticket will be used toward another traveler booking (i.e., name change).
   c. Circumstances where the unused ticket should not be applied automatically.
3) At any time, an airline may change the rules, and/or there may be certain circumstances where tickets or the residual values cannot be transferred. For example, United Airlines will not apply an unused ticket if the residual value is greater than $200. It’s best to apply an unused ticket toward a new airfare booking that will not leave any residual value.

### International Travel
International travel to a destination that has a U.S. Department of State Travel Advisory or to a Foreign Adversary is subject to prior approvals as referenced in FASOP AS-18, High Risk Travel to Restricted Region and Foreign Adversaries, regardless of the funding source which includes university affiliates (i.e., LSU Foundation, etc.).

University Affiliates have been informed that all prior approvals to any high-risk countries, especially to a foreign adversary are subject to the approval protocol for a recommendation by the International Travel Oversight Committee (ITOC) with final approval by Academic Affairs. **Please make sure that any travel reimbursement requests to university affiliates include the high-risk prior approval supporting documentation that provides final approval by Academic Affairs.**

**Failure to obtain the required prior approvals will result**
in the travel being considered personal. For questions, please contact Patrice Gremillion at 578-3366 or pgremill@lsu.edu.
