Accounts Payable & Travel

Mark your calendars...
The final AP Settlement run for 2021 will be Wednesday, December 22, 2021. Please plan accordingly to ensure supplier payments (especially construction payments) are processed and approved by the final settlement run.

Special Handling Form (AS209) must be attached to the top of the invoice or document in order for the special handling request to be handled timely and properly. If a check is required by a certain date, please make sure the due date is specified in the Priority Handling section of the form. For questions, please contact Catherine Herman at 578-1549 or cherman@lsu.edu.

Direct Charge Worksheet (AS580) must be attached to each Direct Charge invoice sent to AP & Travel. Do not use the AS580 form for Purchase Order invoices as this may cause a delay in processing. For questions, please contact Catherine Herman at cherman@lsu.edu.

Invoice Processing
Direct charge and purchase order invoices should be sent to aptravel@lsu.edu. Please respond to Direct Charge and PO staff e-mails to ensure continuous processing of all invoices. For any on-demand or special handling requests for extenuating circumstances, please contact Valery Sonnier at vsonnier@lsu.edu or Patrice Gremillion at pgremill@lsu.edu.

For questions concerning direct charge supplier invoices, please contact the DC Invoice Processing staff:

**Did you know some CARD entries can be submitted via e-mail?**
CARD entries that do not contain cash, checks or money orders can be scanned and e-mailed to cardobo@lsu.edu. All approvals and supporting documentation are still required for the CARD entry to be worked. If you do not have access to a printer and/or scanner, we will accept any of the following:

- Sign electronically (using phones and/or computer mouse).
- Provide images of the CARD entry with all supporting documentation that contain signatures and have the signature clearly visible.
- The approval can be obtained via an e-mail directly from student/faculty/staff. If the authorization is received via e-mail without a signature, it must come directly from the user’s authenticated myLSU account, and not a secondary e-mail account.

**ChatBot**
Bursar Operations has a virtual assistant, Nummus, on our webpage. After a few seconds, a dropdown will appear with some common topics of interest and users can type specific questions or keywords to engage with Nummus. Please visit our website, LSU Bursar Operations, to chat with Nummus.

**Social Media**
Follow Bursar Operations on social media where we post reminders and tips about registration, payment dates, refunds, and other helpful information.

- Facebook: LSU Bursar Operations

Cashnet eMarkets

eMarkets allow departments to provide customers with a secure, PCI compliant, online payment option for conferences, summer camps, advertising, etc. eMarkets cannot be used for any student-related charges. Questions regarding eMarkets can be directed to Daniel Butcher (dbutch1@lsu.edu).

International Payments

International students may pay their student account balance using Flywire. The Flywire payment option is included on the Fee Bill. Flywire commits to providing the best exchange rates.

Fabrication

When fabricating a piece of equipment, spend category SC0142: Equipment Components purchased for Fabrication and ledger account 6200: Supplies should be used for all components.

Once the fabrication is completed, departments must process a manual journal to transfer the fabrication costs to the appropriate equipment spend category and ledger account. It is not necessary to transfer line item by line item. In this case, a lump sum transfer can be done.

If the value of the fabricated equipment will be less than $5,000, the journal should:

credit - SC0142/ledger account 6200: Supplies and
debit - the appropriate equipment spend category/ledger account 6200: Supplies.

If the fabricated equipment will be more than $5,000, the journal should:

credit - SC0142/ledger account 6200: Supplies and
debit - the appropriate equipment spend category/ledger account 6350: Equipment/Major Repairs

Once the journal is posted a notification will be sent to Property Management so the item can be tagged.

Invention/Patent Certifications

All invention/patent certifications must be sent to Andrew J. Maas, Office of Innovation & Technology Commercialization, 206 Louisiana Emerging Technology Center after being signed by the Principal Investigator. For Ag Center, the certifications must be sent to Wade Baumgartner, LSU Agriculture Center, Office of Intellectual Property.

LA Board of Regents ENH and R&D awards

Rebudgeting requests must be submitted to BOR for expenditures in line items not included in the original budget. These requests must be routed through the appropriate Sponsored Program office.

Reminder that the Board of Regents (BOR) requires Prior Approval for the following:

- For the purchase of equipment not listed in the approved budget, unless the change in equipment involves no more than a change in make or model number.
- To reduce the amount of salary for graduate assistants. If approval to rebudget funds from the graduate student category is not received, the remaining balance in the graduate student category will have to be refunded to BOR along with the associated F&A costs. Rebudget requests reducing graduate student support must include the associated tuition remission cost sharing reduction. Note, tuition remission is not calculated on the Student Allowance therefore, if a graduate assistant...
is paid a Student Allowance during the summer when they are not enrolled, a request to reduce the tuition remission cost sharing must be submitted if tuition remission cost sharing was committed.

- A complete list of the categories requiring prior approval can be found in Section IX of the contract from BOR titled Rebudgeting. Please be aware that the BOR does not approve such requests after the expiration date of the contract.

Multi-Company Grants
All grants with MC-DNU (multi-company - Do Not Use) in the grant name must be cleared and closed as soon as possible. These grants cannot be tied to an award and any spend on a MC-DNU grant is not billable to the sponsor. Please process appropriate transfers to move charges to the grant that is tied to the award so that the sponsors can be billed.

No Cost Extensions
PIs should request no cost extensions if the work (including deliverables) is not completed on sponsored agreements. It does not matter if the agreement is cost reimbursable or fixed price. Requests for extensions must be routed through the appropriate Sponsored Programs Office before submitting to the sponsor. Requests for no cost extensions must be made before the expiration date in accordance with the agency’s guidelines.

Tentative Accounts
Projects with tentative account numbers should be monitored and the fully executed agreements for sponsored agreements should be forwarded to OSP upon receipt. Other campuses should route to SPA through their own sponsored programs office. Invoices for expenditures on the tentative account are not prepared until the executed agreements are received. If it is subsequently determined that an award will not be received, please notify Henri Smith in writing so that the account can be deactivated. Questions concerning tentative account numbers should be directed to Jessica LeBlanc at 578-2144 or jleblanc2@lsu.edu.

Financial Accounting & Reporting

Internal Billings
An Internal Billing is a Manual Journal in Workday that enables departments to bill other departments or campuses for services rendered or merchandise sales. Internal Billings should be initiated by the department rendering the service or sale.

A step-by-step Job Aid can be found on the Workday Training webpage at Finance Training

- Financial Accounting
  - Create Journal Entry: Internal Billing

Important Reminders
- Worktags on Internal Billings must match the attached supporting documentation – please do not use Legacy Account numbers
- Internal Billings should be initiated by the rendering department
- Appropriate documentation, including detailed information about the services or merchandise, must be attached
- There should be no travel spend categories on Internal Billings
- Rendering departments must be an established service center to charge a sponsored agreement account (excluding gift, University Foundation, and expired fixed price)
- Verify the Company on the line matches the Driving Worktag used – for example, PG003159 LSUAM | Accounting Services must have Company: Louisiana State University and Agricultural and Mechanical College

Cost Transfers
The following are tips when completing cost transfers:
- The journal source should be “Manual Journal” not “Accounting Journal – Corrections.”
- The journal line needing correction must be reversed with all related worktags. All information should be the same as on the original entry, with only the amount moving from debit to credit or vice versa.
- Run the report “Journal Line Details” and print it to PDF to use as backup. Avoid printing, highlighting, and rescanning the report because the size of the text causes it to become illegible. Instead, use the highlight and comment tools in Adobe to note which lines to use or if a partial transfer is being done.
> On partial transfers, note the amount being moved.
> FD940 is not required on an entry – please only use if balancing error is received when submitting the journal.

The “Create Journal Entry: Correcting Journal” job aid provides specific instructions on completing a cost transfer and can be found on LSU’s Workday training webpage.

**Reporting**

Below is a list of commonly used reports in Workday that can be accessed by typing the Report name into the Workday search box.

- **Data Audit** – Provides a list of values for FDM dimensions (various reports)
- **Journal Line Details** – Provides a list of detail journal entries by period
- **Journal Line Details with Employee Name** – Provides a list of detail journal entries by period, with employee name included
- **Payroll Accounting per Worktag** – Provides payroll detail by organization
- **Trial Balance** – Displays beginning balance, debits, credits, and ending balance for worktags chosen
- **Revenue & Expense** – Provides budget, current month actuals, cumulative encumbrances, tentative and balance (various reports by dimension chosen)

**Workday Security Access**

Workday Access can be requested through myLSU:

- Financial Services
  - Workday Security Access Request

**Bank Reconciliation**

Contact us at bankrecon@lsu.edu for questions/requests related to the following:

- Stop payment requests
- Check copy requests
- Check status requests
- Unclaimed property
- Unrecorded deposits
- Expected wire or ACH payments

In addition, the AS32: Stop Payment Request and AS500: Request for Copy of an LSU Check forms can be found at Financial Accounting & Reporting Forms.

Please ensure the most recent version is used when requesting information. Completed forms can be scanned and e-mailed to bankrecon@lsu.edu.

**Unclaimed Deposits/Wire Transfers**

Departments that are missing funds (expected ACH or wire transfers to LSU) should contact Stephanie Laquerre at 578-1450 or slaquer@lsu.edu. Please be able to provide estimated date of deposit and amount. If you wish to be added to the monthly unclaimed deposit notifications that are e-mailed, please e-mail your name and contact information to Stephanie.

**Petty Cash**

The university will no longer accommodate petty cash funds within departments and units. If funds are needed for an event, an AS750: Petty Cash Check Request should be e-mailed to Stephanie Laquerre at slaquer@lsu.edu using Beth R. Nettles (SPL-23055) as the supplier. Once received, the check can be cashed at the vault in Bursar Operations, 125 Thomas Boyd Hall. When the event is over and the cash is no longer needed, the deposit of funds should be recorded in the Customer Accounts Receivable and Deposit (CARD) application to record the deposit of the funds. A job aid is available for the CARD application.

Employee reimbursements will be processed by submitting an expense report in Workday. A job aid for this process is posted under Expenses on the Finance Training tab of the Workday website.

For non-worker reimbursements (university guests or non-employed graduate or undergraduate students), Expense Reports for Non-Workers should be created in Workday in lieu of submitting the paper forms AS300-NW: Travel Expense Reimbursement Request and AS541-NW: Reimbursement to a Non-worker. For international guests/visitors, the paper AS300-NW and AS541-NW forms are required to be submitted to the AP & Travel Office and will be processed via the Supplier Invoice Workflow for the payment to be sent by WIRE. Expense Report for Non-Workers Job Aid can be found on the Workday Training website.
TAX TOPICS
International Employees
Tax treaty benefits expire December 31, 2021. Departments and affected employees will be receiving detailed instructions soon on the renewal process.

Invalid or Temporary Social Security Number
A valid social security number is required for employment, and for W-2 reporting of employee earnings to the Internal Revenue Service. Please make sure that all employees with temporary 999 numbers have obtained a valid U.S Social Security Number and that the U.S. SSN has been updated in Workday. LSU may face a monetary penalty from the IRS for failing to include the employee's correct SSN on W-2s and other wage reports.

Tax Withholdings
In Workday all payment for extra earnings and late pay transactions are made on the regular pay cycle - there are no supplemental payrolls in Workday. Please see the payment of extra earnings job aid. Any late or retro salary increases or late time submission is paid on the next regular payroll and not a supplemental payroll. Since these type of payments are now included with the regular paycheck, the employee’s taxable income, and thus taxes, are increased for any affected payroll. The earnings are being taxed correctly in accordance with the IRS tax withholding tables. The employee can adjust their W-4 and/or L-4 at anytime in Workday to help minimize these tax effects.

The job aid for changing withholding elections can be found on the Workday website at Training for Employees (Employee as Self).

Address Changes or Corrections
Please verify that the address is correct on the Contact tab in Workday for employees who work in your department. Having a correct address is important when payroll information including the W-2 has to be mailed to an employee. The Home and Emergency Contact Info job aid provides instructions on updating address information in Workday.

Note: Employees will need to submit a written request to change an address for any insurance carrier. The Change of Address form needed can be found on the Payroll or HRM websites.

The Change of Address form needed can be found on the Payroll or HRM websites.

- Time Not Submitted
- Time Not Approved
- Workers with No Time Entry

Insurance Coverage at Retirement
Health premiums for retirees are determined by health participation as an active employee prior to retirement. Employees are encouraged to contact Human Resources for a vesting participation audit prior to retirement in order to ensure continuation in the OGB or LSU First Health plans are affordable and fit their changing needs due to retirement. Retiring employees must complete form GB-01 with Human Resources within 30 days of retirement or coverage will be terminated. Employees who do not continue benefits into retirement will not be eligible to return to state coverage as a retiree.

Note: Employees will need to submit a written request to change an address for any insurance carrier. The Change of Address form needed can be found on the Payroll or HRM websites.
