Program Outcome Report

September, 2019

School Counseling

There are currently 16 students enrolled in the School Counseling Program. The program accommodates both full-time and part-time students. In the last graduating class, the completion rate was 86%. Six students graduated in the past year. All of these students passed the area praxis exam. Follow-ups of recent graduates indicate that 100% of school counseling graduates seeking employment were employed within 90 days of graduation. In past years, school counseling students have received both state and national awards including the National Board of Certified Counselors Foundation Minority Fellowship, the American School Counselor Association's Foundation Award, the American Counseling Association's Ross Trust Award for School Counseling, the Chi Sigma Iota Leadership Essay Award, the Louisiana School Counselor Association's Graduate Student Award and Student Scholarship and the Chi Sigma Iota Outstanding Newsletter Award. Students have served on the Board and as officers of the Louisiana Association of Counselor Graduate Students and on the Board of the Louisiana School Counselor Association.

Clinical Mental Health Counseling

There are currently 36 students enrolled in the Clinical Mental Health Counseling Program. The program accommodates both full-time and part-time students. In last graduating class, 100% of the students graduated within the expected time period. Eleven students graduated in the past year and 92% of those seeking employment were employed within 90 days of graduation. Follow-ups of recent graduates indicate that 100% have passed the state licensing exam. In the past years, Clinical Mental Health Counseling students have received awards and recognitions including the National Board of Certified Counselors’ Minority Fellowship, the American Group Psychotherapy Conference Scholarship, President’s Award from the Louisiana Counseling Association, the Louisiana Counseling Association Conference Scholarships and the Chi Sigma Iota Outstanding Newsletter Award. Students have served on the Board and as officers of the Louisiana Association of Counselor Graduate Students.
