

# ASCE International Conference on Computing in Civil Engineering (i3CE 2025)

## Future of Computing in the Evolving Era of Civil and Construction Engineering

May 11-14, 2025  
New Orleans, LA

### Call for Papers

**Call for Papers the 2025 ASCE  
International Conference on  
Computing in Civil Engineering**

**LSU**

Bert S. Turner Department  
of Construction Management

For more information, visit:

<https://www.lsu.edu/eng/cm/i3ce2025>

#### Important Dates:

**December 1, 2024**

Abstract Submission deadline  
Required for full paper submission

**December 10, 2024**

Full Paper Submission deadline  
Research papers and Short papers

**March 1, 2025**

Acceptance Notification

**May 11-14, 2025**

Conference Dates

#### Technical Areas:

- Track 1. Artificial Intelligence in Construction and Infrastructure
- Track 2. BIM and Digital Twin Technologies
- Track 3. Reality Capturing and Visualization Techniques
- Track 4. Sustainable and Resilient Infrastructure Systems
- Track 5. Human-Centered Innovations
- Track 6. Robotics and Automation in Construction
- Track 7. Health and Safety Technologies
- Track 8. Technology-Enhanced Engineering Education and Training

**Note: Although abstract submission is required for full paper submission, it is for organizational purposes only.**
