

Scholarship Program 2018-2019

This document describes the details of establishing the Concrete & Aggregates Association of Louisiana Scholarship program:

Purpose of the Scholarship:

The purpose of this scholarship is to increase awareness and promote the transportation engineering profession among undergraduate students enrolled in civil engineering or construction management curriculum at an accredited four-year college or university in Louisiana.

Amount and Distribution of Scholarships

A total of three \$1,000 (each) scholarships will be awarded to qualified applicants among Louisiana colleges/universities offering civil engineering and construction management curriculum.

Scholarship Eligibility

The scholarship will be presented to college sophomores, juniors or seniors who are U.S. citizens or U.S. permanent residents and already enrolled in a full-time civil engineering or construction curriculum at an accredited Louisiana four-year college or university.

The Application Package

Applicants are required to submit a single electronic (PDF) document through the scholarship office at their university. The PDF document shall include the following components:

1. Completed scholarship application form (with essay);
2. Letter of recommendation from two faculty members; and
3. Current academic transcript.

NOTE: Documents submitted separately, in piecemeal fashion, will **NOT** be reviewed.

The deadline for receipt of applications to CAAL is **December 17, 2018**. The chairs, or their designees, should email the completed students' applications to Mr. William Temple, Executive Director of CAAL at btemple@caal.org.

Should you have any questions, contact the CAAL office at (225) 293-5735.

Note: for LSU, the complete application should be submitted to the CoE Scholarship Office at coescholarships@lsu.edu no later than noon on 12/17/2018. Incomplete applications will not be forwarded to CAAL.

Concrete & Aggregates Association of Louisiana Scholarship Application

1. Date of Application: _____
 2. Name of Applicant _____
(Last) (First) (Middle)
 3. Home Address _____
(House No. & Street)

(City) (State) (Zip Code)
 4. Local Address _____
(House No. & Street)

(City) (State) (Zip Code)

Cell Phone Number _____ Email Address _____
 5. Total undergraduate hours completed _____ GPA: _____
 6. Are you a citizen or permanent resident of the U.S.? _____
 7. List all Colleges you have attended:

Name of College	Address	Dates	GPA	Degree
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
 8. Declared Major _____ Anticipated Date of Graduation _____
 9. List scholastic awards and honors you have attained and/or extracurricular activities in which you have participated (use separate sheet if needed).
 10. List engineering or construction related activities outside of the classroom such as ASCE Student Chapter concrete canoe contest or other field activities of interest (use separate sheet if needed).
 11. On a separate sheet please explain, in 500 words (typed) or less, why you feel that you should receive this scholarship. The statement should be enclosed along with the other appropriate information described in the application process. **The entire application package should be submitted as an electronic (PDF) file. Piecemeal applications will not be accepted or reviewed.**
 12. Certification: The information provided in this application is true and correct to the best of my knowledge.
- Signature of Applicant _____ Date : _____
