Our Mission and Vision

The Office of Multicultural Affairs, a unit of the Office of Diversity, creates an environment at LSU that embraces individual difference, advocates for social justice and cultivates a campus atmosphere of inclusion.

We are a premier model of collaborative and equitable programs and services in cultivating intentional solutions to complex and emerging challenges to diversity and inclusion that empowers and engages all members in examining multidimensional perspectives of personal and cultural engagement through intellectual curiosity and advocacy, for the benefit of the entire university and the world.
