

Subaward Overview

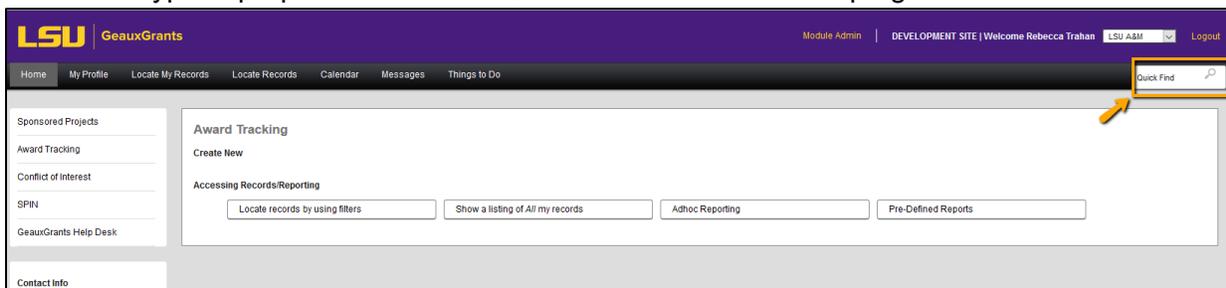

Workday is the official system of record for outgoing Subawards. GeauxGrants is used to capture additional award information, track workflow, store subaward documents, and capture Principal Investigator (PI) approval of subaward terms and conditions.

How to access Proposal Tracking (PT) Record

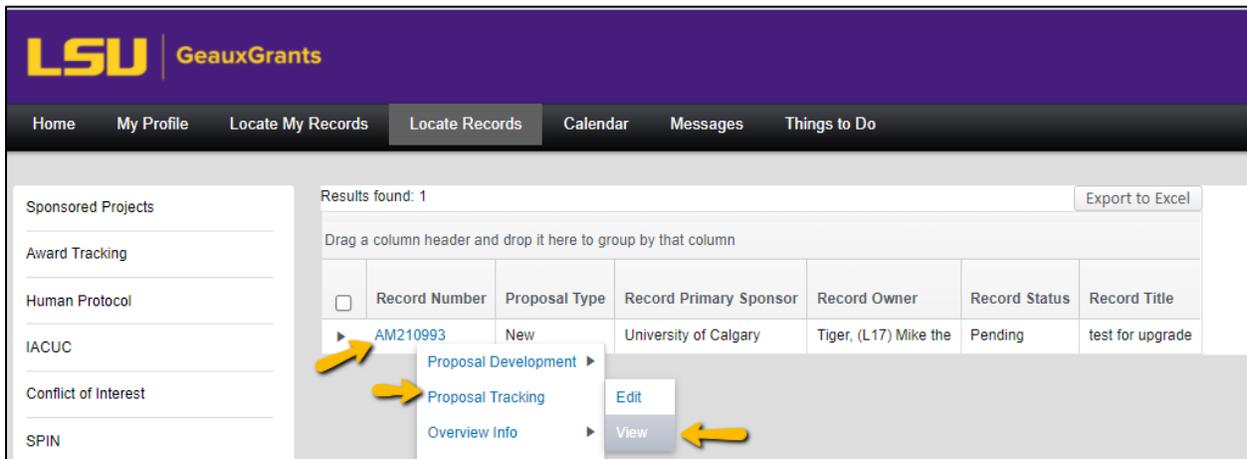

There are two ways to access the Proposal Tracking record.

1) From GeauxGrants Home Screen Using Quick Find

- Type in proposal number in Quick Find search box in top right corner and click Enter.

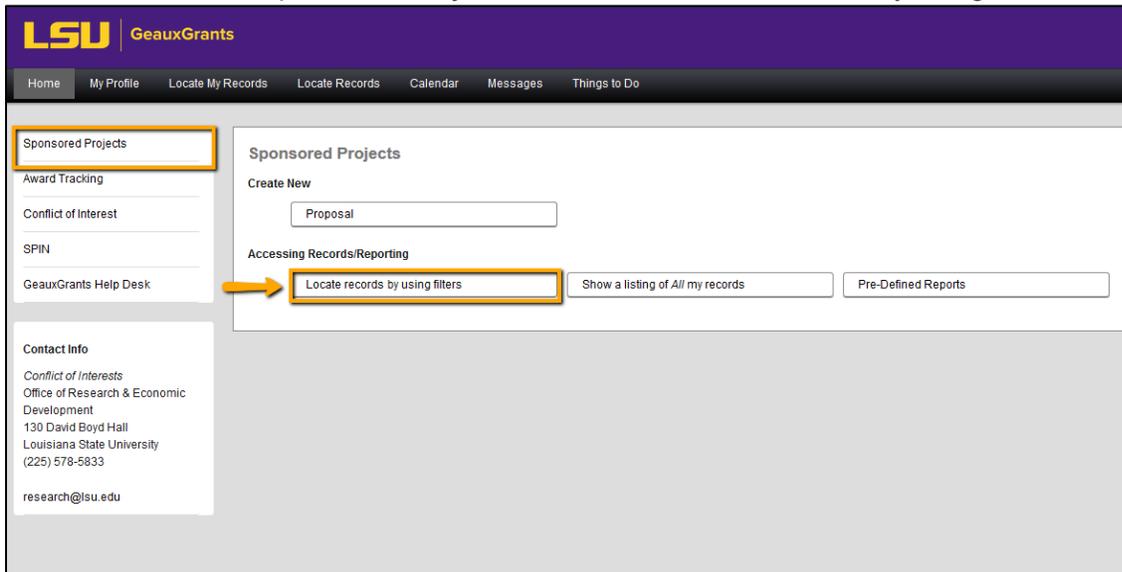

- Click on the record number to bring up menu. Then hover over "Proposal Tracking" and then click "View".

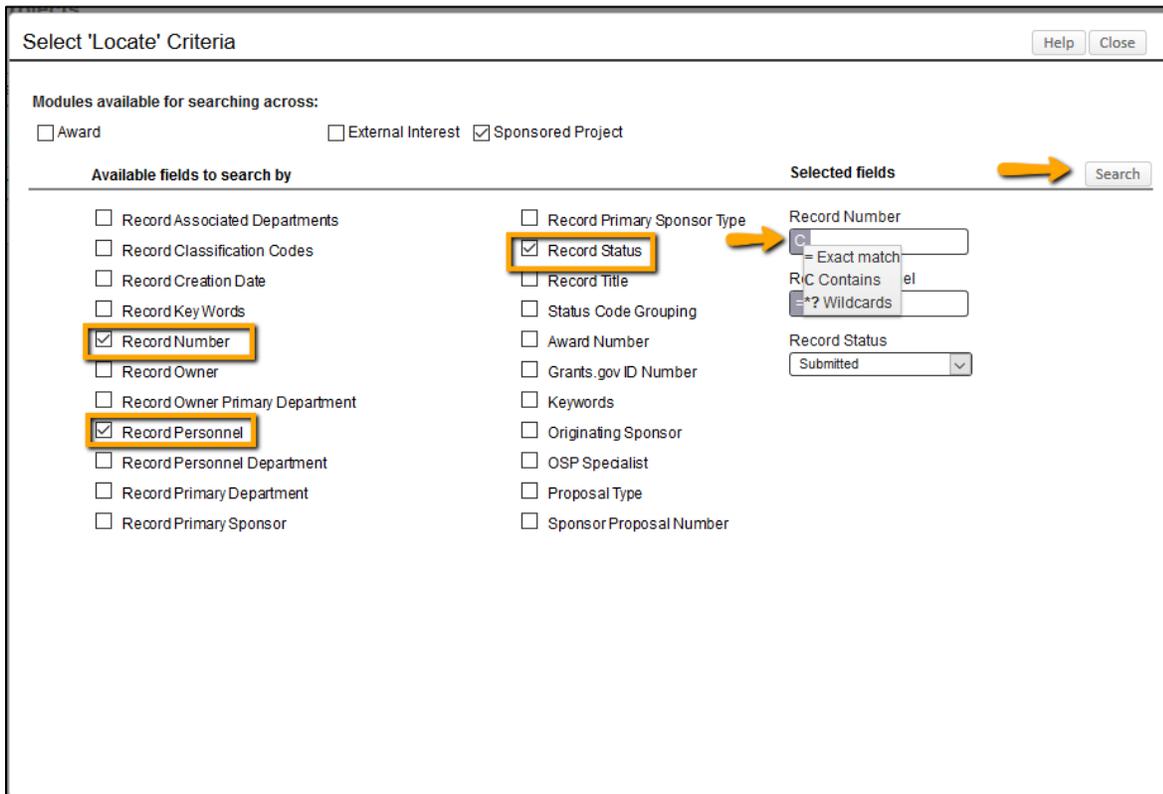

2) From GeauxGrants Sponsored Project tab Using Locate records by using filters.

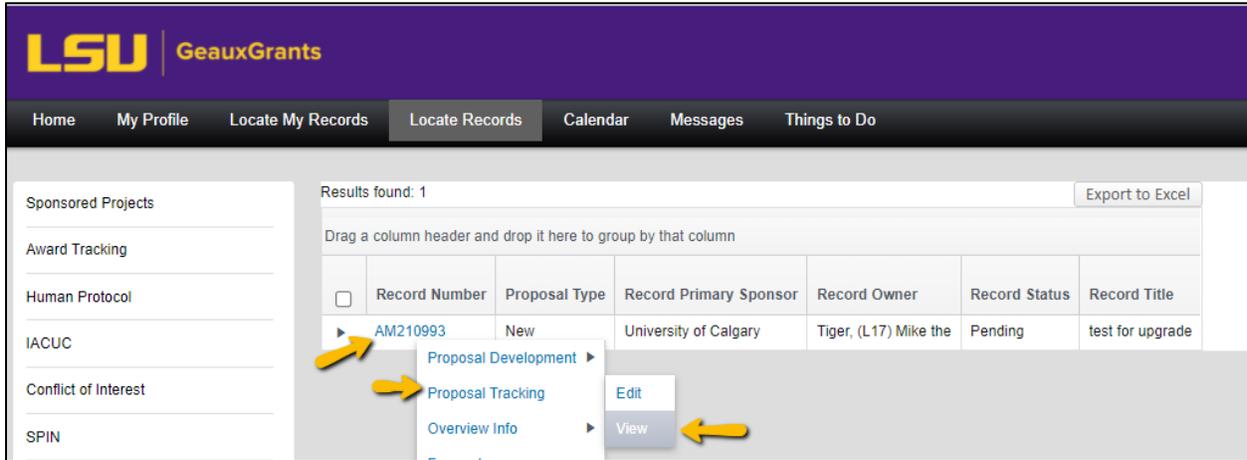

- From the Sponsored Projects Menu, click Locate records by using filters.

- Select the criteria for your search. You can search by single or multiple options. In the Selected fields option you can click on the grey square to change your search from Exact Match (=), Contains (C), or Wildcards (*?). After entering all criteria, click Search.

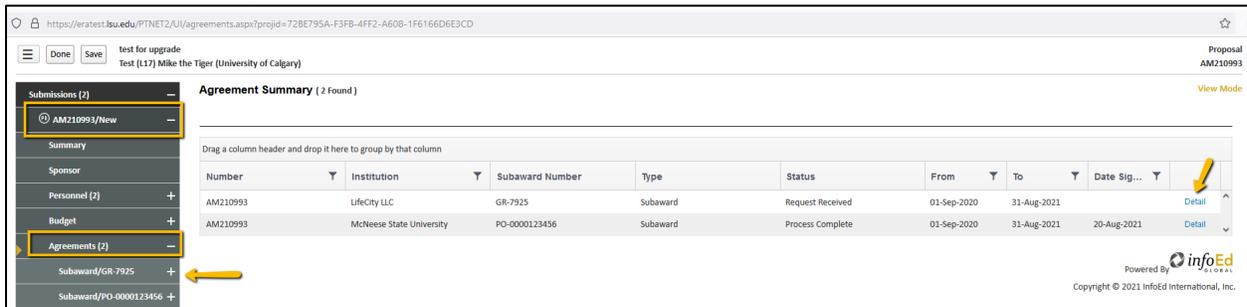

- Click on the record number to bring up menu. Then hover over “Proposal Tracking” and then click “View”.

Agreements

- Under the Master Submission record (first record), click on Agreements to see any Subawards for this project.
- You can open the subaward by clicking on “Detail” or by clicking the Subaward in the left tab.
- If you hover over the word Agreement type/number in left tab, it will display the name of the Subrecipient.

- The Subaward Detail screen will provide you with a summary of the subaward and the subaward status.

- The subaward documents, including OSP-3/4 forms and Subaward Agreement/Amendment, can be viewed from the Agreements tab Document Summary. Click the eyeglasses icon in the View Latest column.

- **Agreement Assignments**

- Shows you who is currently reviewing the subaward, how long they have had it, and the text of the email they received. In the scenario below, the status is PI Review, so it is assigned to our PI, Mike the Tiger.

PI Review and Approval of Subawards

- Once OSP has drafted the subaward, they will attach the draft in GeauxGrants and change the Subaward status to PI Review.

An email will be sent to the PI from GeauxGrants.

- See [Subaward Approvals](#).
