

## DOCTORAL DEGREE AUDIT GUIDELINES

---

The **Degree Audit** is an agreement between the student and the department. It outlines the individualized degree requirements as determined by the major professor and advisory committee. The **Degree Audit form** must be submitted by the advisory committee through the department chair or graduate advisor for final approval by the Dean of the Graduate School. These forms are available on The Graduate School's website at <http://www.lsu.edu/graduateschool/current-students/enrolled-student-forms.php>. Below are guidelines for completing the forms and avoiding common mistakes. Please be aware that errors may result in the form's return, and may delay Graduate School approval.

---

Please pay attention to the following, while completing the succeeding form:

- **Major Fields** must be as listed in the Graduate Catalog (i.e., no subfields or specialties should be listed.)
- **Minor Fields** must be in a curriculum offering a graduate degree; requires a committee member from the minor department and approval of the minor department chair. Internal minors need not be listed as they are monitored by the department.
- **Committee Members** must be members of the graduate faculty. The *General Catalog* and the departmental graduate advisor are the best sources for information on committee composition and graduate faculty status. Additional members can be added at the time of the General Defense. If one includes a member of Southern University's graduate faculty, it should be indicated with '(SU)' after the faculty's printed name.
- **Signatures:** No one else may sign for a committee member. Electronic signatures are allowed where possible.
- **Course Work:** the Degree Audit must include the required number of hours listed according to the departmental requirements, but *may not* list excess hours taken. The department reserves the right to determine the acceptability of courses with respect to the age of the courses and applicability to current degree requirements.
- **Undergraduate Courses** may not be listed. This includes departmental prerequisites and required English and/or foreign language requirements.
- **Courses from Other Institutions** must be listed as they appear on the official transcript:
  - Official transcripts must be on file from all institutions the student attended and work must be completed at the graduate level (as indicated on the "Credential Analysis" sent to the department from Graduate Admissions.)
  - Course work must have a grade of **A, B, P,** or **S** or the verified equivalent.
  - Departments should determine that course work from foreign institutions is comparable to graduate courses at LSU in terms of semester hours, quality of instruction, and grading.
  - Quarter hours will be converted to semester hours at the rate of 2/3.
- **Repetition of Courses** is based on the maximum number of hours specified in the *General Catalog*.
- **Departmental Requirements** should be checked prior to submission to Graduate School Academic Services.

Questions may be directed to the Graduate School Academic Services office at (225) 578-2311.
