Dental Certificate of Coverage

This Certificate of Coverage ("Certificate") sets forth your rights and obligations as a Covered Person. It is important that you read your Certificate carefully and familiarize yourself with its terms and conditions.

The Policy may require that the Subscriber contribute to the required Premiums. Information regarding the Premium and any portion of the Premium cost a Subscriber must pay can be obtained from the Enrolling Group.

UnitedHealthcare Insurance Company ("Company") agrees with the Enrolling Group to provide Coverage for Dental Services to Covered Persons, subject to the terms, conditions, exclusions and limitations of the Policy. The Policy is issued on the basis of the Enrolling Group's application and payment of the required Policy Charges. The Enrolling Group's application is made a part of the Policy.

The Company will not be deemed or construed as an employer for any purpose with respect to the administration or provision of benefits under the Enrolling Group's benefit plan. The Company will not be responsible for fulfilling any duties or obligations of an employer with respect to the Enrolling Group's benefit plan.

The Policy will take effect on the date specified in the Policy and will be continued in force by the timely payment of the required Policy Charges when due, subject to termination of the Policy as provided. All Coverage under the Policy will begin at 12:01 a.m. and end at 12:00 midnight at the Enrolling Group's address.

The Policy is delivered in and governed by the laws of the State of Louisiana.
Introduction to Your Certificate

You and any of your Enrolled Dependents, are eligible for Coverage under the Policy if the required Premiums have been paid. The Policy is referred to in this Certificate as the "Policy" and is designated on the identification (ID) card.

Coverage is subject to the terms, conditions, exclusions, and limitations of the Policy. As a Certificate, this document describes the provisions of Coverage under the Policy but does not constitute the Policy. You may examine the entire Policy at the office of the Enrolling Group during regular business hours.

For Dental Services rendered after the effective date of the Policy, this Certificate replaces and supersedes any Certificate which may have been previously issued to you by the Company. Any subsequent Certificates issued to you by the Company will in turn supersedes this Certificate.

The employer expects to continue the group plan indefinitely. But the employer reserves the right to change or end it at any time. This would change or end the terms of the Policy in effect at that time for active or retired employees.

How To Use This Certificate

This Certificate should be read in its entirety. Many of the provisions of this Certificate and the attached Schedule of Covered Dental Services are interrelated; therefore, reading just one or two provisions may not give you an accurate understanding of your Coverage.

Your Certificate and Schedule of Covered Dental Services may be modified by the attachment of Riders and/or Amendments. Please read the provision described in these documents to determine the way in which provisions in this Certificate or Schedule of Covered Dental Services may have been changed.

Many words used in this Certificate and Schedule of Covered Dental Services have special meanings. These words will appear capitalized and are defined for you in Section 1: Definitions. By reviewing these definitions, you will have a clearer understanding of your Certificate and Schedule of Covered Dental Services.

When we use the words "we," "us," and "our" in this document, we are referring to UnitedHealthcare Insurance Company. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in Section 1: Definitions.

From time to time, the Policy may be amended. When that happens, a new Certificate, Schedule of Covered Dental Services or Amendment pages for this Certificate or Schedule of Covered Dental Services will be provided to you. Your Certificate and Schedule of Covered Dental Services should be kept in a safe place for your future reference.

However, this Certificate may be amended at any time by applicable state or Federal laws, rules and regulations. Such laws and the rules and regulations promulgated under them, when they are applicable, control and supersedes this Certificate.

Dental Services Covered Under the Policy

In order for Dental Services to be Covered as Network Benefits, you must obtain all Dental Services directly from or through a Network Dental Provider.

A Dental Provider's participation status is his/her status as a Network or Non-Network Dental Provider. You must always verify the participation status of a Dental Provider prior to seeking services. From time to time, the participation status of a Dental Provider may change. You can verify the participation status by calling us and/or the Dental Provider. If necessary, we can provide assistance in referring you to Network Dental Providers. If you use a Non-Network Dental Provider you will be required to pay the entire bill for the services you received.
Only Necessary Dental Services are Covered under the Policy. The fact that a Dental Provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a dental disease does not mean that the procedure or treatment is Covered under the Policy.

We have sole authority to interpret the benefits Covered under the Policy and the other terms, conditions, limitations and exclusions set out in the Policy and in making factual determinations related to the Policy and its benefits. We may, from time to time, delegate this authority to other persons or entities providing services in regard to the Policy.

We reserve the right to change, interpret, modify, withdraw or add benefits or terminate the Policy, as permitted by law, without your approval. No person or entity has any authority to make any oral changes or amendments to the Policy.

We may, in certain circumstances for purposes of overall cost savings or efficiency provide Coverage for services which would otherwise not be Covered. The fact that we do so in any particular case will not in any way be deemed to require us to do so in other similar cases.

We may arrange for various persons or entities to provide administrative services in regard to the Policy, including claims processing and utilization management services. The identity of the service providers and the nature of the services provided may be changed from time to time without prior notice to or approval by you. You must cooperate with those persons or entities in the performance of their responsibilities.

Similarly, we may, from time to time, require additional information from you to verify your eligibility or your right to receive Coverage for services under the Policy. You are obligated to provide this information. Failure to provide required information may result in Coverage being delayed or denied.

**Important Note About Services**

We do not provide Dental Services or practice dentistry. Rather, we arrange for providers of Dental Services to participate in a Network. Network Dental Providers are independent practitioners and are not employees of the Company. We, therefore, make payment to Network Dental Providers through various types of contractual arrangements. These arrangements may include financial incentives to promote the delivery of dental care in a cost efficient and effective manner. Such financial incentives are not intended to impact your access to Necessary Dental Services.

The payment methods used to pay any specific Network Dental Providers vary. The method may also change at the time providers renew their contracts with us. If you have questions about whether there are any financial incentives in your Network Dental Provider's contract with us, please contact us at the telephone number on your ID card. We can advise you whether your Network Dental Provider is paid by any financial incentive, however, the specific terms, including rates of payment, are confidential and cannot be disclosed.

The Dental Provider-patient relationship is between you and your Dental Provider. This means that:

- You are responsible for choosing your own Dental Provider.
- You must decide if any Dental Provider treating you is right for you. This includes Network Dental Providers who you choose or providers to whom you have been referred.
- You must decide with your Dental Provider what care you should receive.
- Your Dental Provider is solely responsible for the quality of the care you receive.

We make decisions about eligibility and if a benefit is a Covered benefit under the Policy. These decisions are administrative decisions. We are not liable for any act or omission of a provider of Dental Services.
Identification (ID) Card
You should show your ID card every time you request Dental Services. If you do not show your ID card, the provider is unable to confirm eligibility and that you are Covered under a Policy issued by us and you may receive a bill for Network Benefits.

Contact Us
Throughout this Certificate you will find statements that encourage you to contact us for further information. Whenever you have a question or concern regarding Dental Services or any required procedure, please contact us at the telephone number stated on your ID card.

Any unmarried child who is placed in the home of an insured pursuant to an adoption placement agreement executed with a licensed adoption agency shall be considered a dependent child of the insured from the date of placement in the home of the insured. The term child also includes a grandchild who is in the legal custody of either the Subscriber or the Subscriber's spouse. The Subscriber agrees to reimburse the Company for any Dental Services provided to the child at a time when the child did not satisfy these conditions.
The term Dependent also includes a child for whom dental care coverage is required through a Qualified Medical Child Support Order or other court or administrative order. The Enrolling Group is responsible for determining if an order meets the criteria of a Qualified Medical Child Support Order.

The term Dependent does not include anyone who is also enrolled as a Subscriber, nor can anyone be a Dependent of more than one Subscriber.

**Eligible Expenses** - Eligible Expenses for Covered Dental Services, incurred while the Policy is in effect, are determined as stated below:

A. For Network Benefits, when Covered Dental Services are received from Network Dental Providers, Eligible Expenses are our contracted fee(s) for Covered Dental Services with that Dental Provider.

B. For Non-Network Benefits, when Covered Dental Services are received from Non-Network Dental Providers, Eligible Expenses are our contracted fee(s) for Covered Dental Services with a Network Dental Provider in the same geographic area.

In the event that a Dental Provider routinely waives Copayments and/or the applicable deductible for Non-Network Benefits, Dental Services for which the Copayments and/or the applicable deductible are waived are not considered to be Eligible Expenses.

(For the purpose of this definition, the term life threatening is used to describe dental diseases or sicknesses or conditions, which are more likely than not to cause death within one year of the date of the request for treatment.)

The fact that a Dental Provider has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular dental disease does not mean that it is a Necessary Covered Dental Service as defined in this Certificate. The definition of Necessary used in this Certificate relates only to Coverage and differs from the way in which a Dental Provider engaged in the practice of dentistry may define Necessary.

Subscriber - an Eligible Person who is properly enrolled for Coverage under the Policy. The Subscriber is the person (who is not a Dependent) on whose behalf the Policy is issued to the Enrolling Group.
Section 2: Eligibility and Effective Date of Coverage

Enrollment

Eligible Persons may enroll themselves and their Dependents for Coverage under the Policy during the Initial Eligibility Period or during an Open Enrollment Period by completing a form provided by the Enrolling Group. In addition, new Eligible Persons and new Dependents may be enrolled as described below. Dependents of an Eligible Person may not be enrolled unless the Eligible Person is also enrolled for Coverage under the Policy.

If you enroll for Coverage under the Policy, you must remain enrolled for a period of 12 months. If you disenroll at the end of any 12 month period, you must wait 12 months until you are again eligible for Coverage.

If both spouses are Eligible Persons of the Enrolling Group, each may enroll as a Subscriber or be Covered as an eligible Dependent of the other, but not both. If both parents of an eligible Dependent child are enrolled as a Subscriber, only one parent may enroll the child as a Dependent.

If you fail to enroll yourself or a Dependent during the Initial Eligibility Period or during an Open Enrollment Period, you or your Dependent must wait 12 months before you or your Dependent is eligible to enroll for Dental benefits.

Effective Date of Coverage

In no event is there Coverage for Dental Services rendered or delivered before the effective date of Coverage.

If an Eligible Person enrolls during the Initial Eligibility Period, Coverage is effective on the first day of the Policy month following the month in which the probationary period was completed.

Coverage for a Newly Eligible Person

Coverage for you and any of your Dependents will take effect on the date agreed to by the Enrolling Group and us. Coverage is effective only if we receive any required Premium and properly completed enrollment information within 31 calendar days of the date you first become eligible.

Coverage for a Newly Eligible Dependent

Coverage for a new Dependent acquired by reason of birth, legal adoption, legal guardianship, placement for adoption, court or administrative order, or marriage will take effect on the date of the event. Coverage is effective only if we receive any required Premium and are notified of the event within 31 calendar days.

Change in Family Status

You may make Coverage changes during the year for any Dependent whose status as a Dependent is affected by a marriage, divorce, legal separation, annulment, birth, legal guardianship, placement for adoption or adoption, as required by federal law. In such cases you must submit the required contribution of coverage and properly completed enrollment information within 31 calendar days of the marriage, birth, placement for adoption or adoption. Otherwise, you will need to wait until the next annual Open Enrollment Period.
Special Enrollment Period

An Eligible Person and/or Dependent who did not enroll for Coverage under the Policy during the Initial Eligibility Period or Open Enrollment Period may enroll for Coverage during a special enrollment period. A special enrollment period is available if the following conditions are met:

A. the Eligible Person and/or Dependent had existing health coverage under another plan at the time of the Initial Eligibility Period or Open Enrollment Period; and

B. Coverage under the prior plan was terminated as a result of loss of eligibility (including, without limitation, legal separation, divorce or death), termination of employer contributions, or in the case of COBRA continuation coverage, the coverage was exhausted.

A special enrollment period is not available if coverage under the prior plan was terminated for cause or as a result of failure to pay Premiums on a timely basis. Coverage under the Policy is effective only if we receive any required Premium and properly completed enrollment information within 31 calendar days of the date coverage under the prior plan terminated. A special enrollment period is also available for an Eligible Person and for any Dependent whose status as a Dependent is affected by marriage, birth, placement for adoption or adoption, as required by federal law. In such cases you must submit the required Premium and properly completed enrollment information within 31 calendar days of the marriage, birth, placement for adoption or adoption.
Section 3: Termination of Coverage

Conditions for Termination of a Covered Person's Coverage Under the Policy

We may, at any time, discontinue this benefit plan and/or all similar benefit plans for the reasons specified in the Policy. When your Coverage terminates, you may have continuation as described in Section 8: Continuation of Coverage or as provided under other applicable federal and/or state law.

Your Coverage, including Coverage for Dental Services rendered after the date of termination for dental conditions arising prior to the date of termination, will automatically terminate on the earliest of the dates specified below.

A. The date the entire Policy is terminated, as specified in the Policy. The Enrolling Group is responsible for notifying you of the termination of the Policy.

The Company will not cancel or refuse to renew any policy of group or family group health and accident insurance except for nonpayment of premium or failure to meet the requirements for being a group or family group insurance policy until 60 days after the insurer has mailed written notice of such cancellation or nonrenewal by certified mail to the policyholder. The notice will include the reason the policy is being cancelled.

B. The last day of the calendar month in which you cease to be eligible as a Subscriber, Enrolled Dependent or active member of the Policyholder.

C. The date we receive written notice from either the Subscriber or the Enrolling Group instructing us to terminate Coverage of the Subscriber or any Covered Person or the date requested in such notice, if later.

D. The date the Subscriber is retired or pensioned under the Enrolling Group's Plan, unless a specific Coverage classification is specified for retired or pensioned persons in the Enrolling Group's application and the Subscriber continues to meet any applicable eligibility requirements.

When any of the following apply, we will provide written notice of termination to the Subscriber.

E. The date specified by us that all Coverage will terminate due to fraud or misrepresentation or because the Subscriber knowingly provided us with false material information, including, but not limited to, false, material information relating to residence, information relating to another person's eligibility for Coverage or status as a Dependent. We have the right to rescind Coverage back to the effective date.

F. The date specified by us that all Coverage will terminate because the Subscriber permitted the use of his or her ID card by any unauthorized person or used another person's card.

G. The date specified by us that Coverage will terminate due to material violation of the terms of the Policy.

H. The date specified by us that your Coverage will terminate because you failed to pay a required Premium.

I. The date specified by us that your Coverage will terminate because you have committed acts of physical or verbal abuse which pose a threat to our staff, a provider, or other Covered Persons.

The Company will only be liable for services rendered subsequent to the cancellation date if such claim is for an illness or condition which was the basis of any prior claim.
Coverage for a Disabled Dependent Child

Coverage for an unmarried Enrolled Dependent child who is disabled will not end just because the child has reached a certain age. We will extend the Coverage for that child beyond the limiting age if both of the following are true regarding the Enrolled Dependent child:

- Is not able to be self-supporting because of mental or physical handicap or disability.
- Depends mainly on the Subscriber for support.

Coverage will continue as long as the Enrolled Dependent is medically certified as disabled and dependent unless Coverage is otherwise terminated in accordance with the terms of the Policy.

We will ask you to furnish us with proof of the medical certification of disability within 31 calendar days of the date Coverage would otherwise have ended because the child reached a certain age. Before we agree to this extension of Coverage for the child, we may require that a Physician chosen by us examine the child. We will pay for that examination.

We may continue to ask you for proof that the child continues to be disabled and dependent. Such proof might include medical examinations at our expense. However, we will not ask for this information more than once a year.

If you do not provide proof of the child's disability and dependency within 31 calendar days of our request as described above, Coverage for that child will end.

Extended Coverage

A 30 calendar day temporary extension of Coverage, only for the services shown below when given in connection with a Procedure in Progress, will be granted to a Covered Person on the date the person's Coverage is terminated if termination is not voluntary. Benefits will be extended until the earlier of: (a.) the end of the 30 calendar day period; or (b.) the date the Covered Person becomes Covered under a succeeding policy or contract providing coverage or services for similar Dental Procedures.

Benefits will be Covered for:

A. a Procedure in Progress or Dental Procedure that was recommended in writing and began, in connection with a specific dental disease of a Covered Person while the Policy was in effect, by the attending Dental Provider; or

B. an appliance, or modification to an appliance, for which the impression was taken prior to the termination of Coverage; or

C. a crown, bridge or gold restoration, for which the tooth was prepared prior to the termination of Coverage.

In the event of a grant of this temporary extension of Coverage, all other terms, conditions and limitations of this Policy will remain in effect, including, but not limited to: cost sharing and payment of Premium by the Subscriber.

Payment and Reimbursement Upon Termination

Termination of Coverage will not affect any request for reimbursement of Eligible Expenses for Dental Services rendered prior to the effective date of termination. Your request for reimbursement must be furnished as required in Section 4: Reimbursement.
Section 4: Reimbursement

Reimbursement of Eligible Expenses

We will reimburse you for Eligible Expenses subject to the terms; conditions, exclusions and limitations of the Policy and as described below.

Filing Claims for Reimbursement of Eligible Expenses

You are responsible for submitting a request in writing for reimbursement to our office, on a form provided by or satisfactory to us, or in a manner satisfactory to us such as e-mail. Requests for reimbursement should be submitted within 90 calendar days after the date of service. Unless you are legally incapacitated, failure to provide this information to us within 365 calendar days from the date of service will cancel or reduce Coverage for the Dental Service.

Claim Forms. It is not necessary to include a claim form with the proof of loss. However, the proof of loss that you submit to us must include all of the following information:

- Your name and address; and
- Patient's name and age; and
- Number stated on your ID card; and
- The name and address of the provider(s) of the services(s); and
- A diagnosis from the Dental Provider(s) including a complete dental chart showing extractions, fillings or other Dental Services rendered before the charge was incurred for the claim; and
- Radiographs, lab or hospital reports, as applicable; and
- Casts, molds or study models, as applicable, and
- Itemized bill which includes the CDT codes or description of each charge; and
- The date the dental disease began; and
- A statement indicating that you are or you are not enrolled for coverage under any other health or dental insurance plan or program. If you are enrolled for other coverage you must include the name of the other carrier(s).

If you would like to use a claim form, call us at the telephone number shown on your ID Card and a claim form will be provided to you. If you do not receive the claim form within 15 calendar days of your request, send in the proof of loss with the information stated above.

Proof of Loss. Written proof of loss should be given to us within 90 calendar days after the date of the loss. If it was not reasonably possible to give written proof in the time required, we will not reduce or deny the claim for this reason. However, proof must be filed as soon as reasonably possible, but no later than 365 calendar days after the date of service.

Payment of Claims. Benefits are payable in accordance with any applicable state or federal claim payment requirements after we receive acceptable proof of loss. When you obtain Covered Dental Services from Non-Network Dental Providers, you must file a claim with us and benefits will be paid directly to you. Benefits will be paid to you unless:

A. The Dental Provider notifies us that your signature is on file assigning benefits directly to that Dental Provider; or
B. You make a written request at the time the claim is submitted.

Subject to written authorization from a Subscriber, all or a portion of any Eligible Expenses due may be paid directly to the Dental Provider who provided the Dental Services instead of being paid to the Subscriber.

All claims shall be paid not more than 30 days from the date upon which written notice and proof of claim, in the form required by the terms of the policy, are furnished to the Company unless just and reasonable grounds, such as would put a reasonable and prudent businessman on his guard, exist. Failure to comply with the provisions of this Section shall subject the Company to a penalty payable to the insured of double the amount of the health and accident benefits due under the terms of the policy or contract during the period of delay, together with attorney's fees to be determined by the court.

You will be provided written or electronic notification of the decision on your appeal as follows:

- For appeals of pre-service requests for benefits as identified above, the appeal will be conducted and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied request for benefits.

- For appeals of post-service claims as identified above, the appeal will be conducted and you will be notified of the decision within 60 days from receipt of a request for appeal of a denied claim.

Please note that our decision is based only on whether or not benefits are available under the Policy for the proposed treatment or procedure. We don't determine whether the pending Dental Service is necessary or appropriate. That decision is between you and your Dental Provider.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in our decision letter to you.

**Urgent Appeals that Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Dental Provider should call us as soon as possible.

- We will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.

- If we need more information from your Dental Provider to make a decision, we will notify you of the decision by the end of the next business day following receipt of the required information.

The urgent appeal process applies only to pre-service requests.
Section 6: General Legal Provisions

Entire Policy
The Policy issued to the Enrolling Group, including the Certificate(s), Schedule(s) of Covered Dental Services, the Enrolling Group's application, Amendments and Riders, constitute the entire Policy. All statements made by the Enrolling Group or by a Subscriber will, in the absence of fraud, be deemed representations and not warranties.

Time Limit on Certain Defenses
No statement, except a fraudulent statement, made by the Enrolling Group will be used to void the Policy after it has been in force for a period of 2 years.

Amendments and Alterations
Amendments to the Policy are effective upon 31 calendar days prior written notice to the Enrolling Group. Riders are effective on the date specified by us. No change will be made to the Policy unless it is made by an Amendment or a Rider that is signed by an officer of the Company. No agent has authority to change the Policy or to waive any of its provisions.

Relationship Between Parties
The relationships between us and Network Dental Providers and relationships between us and Enrolling Groups, are solely contractual relationships between independent contractors. Network Dental Providers and Enrolling Groups are not agents or employees of the Company, nor is the Company or any employee of the Company an agent or employee of Network Dental Providers or Enrolling Groups.

The relationship between a Network Dental Provider and any Covered Person is that of Dental Provider and patient. The Network Dental Provider is solely responsible for the services provided to any Covered Person.

The relationship between the Enrolling Group and Covered Persons is that of employer and employee, Dependent or other Coverage classification as defined in the Policy. The Enrolling Group is solely responsible for enrollment and Coverage classification changes (including termination of a Covered Person's Coverage through us), for the timely payment of the Policy Charge to us, and for notifying Covered Persons of the termination of the Policy.

Information and Records
At times we may need additional information from you. You agree to furnish us with all information and proof that we may reasonably require regarding any matters pertaining to the Policy. If you do not provide this information when we request it, we may delay or deny payment of your Coverage.

By accepting Coverage under the Policy, you authorize and direct any person or institution that has provided services to you to furnish us with all information or copies of records relating to the services provided to you. We have the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Subscriber's enrollment form. We agree that such information and records will be considered confidential.

We have the right to release any and all records concerning dental care services which are necessary to implement and administer the terms of the Policy, for appropriate review or quality assessment, or as we are required to do by law or regulation. During and after the term of the Policy, we and our related entities
may use and transfer the information gathered under the Policy in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your dental records or billing statements, we recommend that you contact your Dental Provider. Dental Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request dental forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, we will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Our designees have the same rights to this information as we have.

Examination of Covered Persons

In the event of a question or dispute concerning Coverage for Dental Services, we may reasonably require that a Network Dental Provider acceptable to us examine you at our expense.

Clerical Error

If a clerical error or other mistake occurs, that error will not deprive you of Coverage under the Policy. A clerical error also does not create a right to benefits or Coverage.

Notice

When we provide written notice regarding administration of the Policy to an authorized representative of the Enrolling Group, that notice is deemed notice to all affected Subscribers and their Enrolled Dependents. The Enrolling Group is responsible for giving notice to you.

Workers' Compensation Not Affected

The Coverage provided under the Policy does not substitute for and does not affect any requirements for coverage by workers' compensation insurance.

Conformity with Statutes

Any provision of the Policy which, on its effective date, is in conflict with the requirements of applicable state or federal statutes or regulations is hereby amended to conform to the minimum requirements of such statutes and regulations.

Waiver/Estoppel

Nothing in the Policy, Certificate or Schedule of Covered Dental Services is considered to be waived by any party unless the party claiming the waiver receives the waiver in writing. A waiver of one provision does not constitute a waiver of any other. A failure of either party to enforce at any time any of the provisions of the Policy, Certificate or Schedule of Covered Dental Services, or to exercise any option which is herein provided, shall in no way be construed to be a waiver of such provision of the Policy, Certificate or Schedule of Covered Dental Services.
Heads

The headings, titles and any table of contents contained in the Policy, Certificate or Schedule of Covered Dental Services are for reference purposes only and shall not in any way affect the meaning or interpretation of the Policy, Certificate or Schedule of Covered Dental Services.

Unenforceable Provisions

If any provision of the Policy, Certificate or Schedule of Covered Dental Services is held to be illegal or unenforceable by a court of competent jurisdiction, the remaining provisions will remain in effect and the illegal or unenforceable provision will be modified so as to conform to the original intent of the Policy, Certificate or Schedule of Covered Dental Services to the greatest extent legally permissible.

Subrogation and Reimbursement

The Company's legal rights to subrogation and reimbursement apply to the Covered Person only if the Covered Person will be made whole or fully compensated prior to the Company's attempt to subrogate. Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. The Company will be subrogated to and will succeed to all rights of recovery, under any legal theory of any type, for the reasonable value of services and benefits provided by the Company to you from: (i.) third parties, including any person alleged to have caused you to suffer injuries or damages; (ii.) your employer; or (iii.) any person or entity obligated to provide benefits or payments to you, including benefits or payments for underinsured or uninsured motorist protection (these third parties and persons or entities are collectively referred to as "Third Parties"). You agree to assign to the Company all rights of recovery against Third Parties, to the extent of the reasonable value of services and benefits provided by the Company, plus reasonable costs of collection.

After nine months from the date of an auto accident from which medical claims arise, we are allowed to seek subrogation of the outstanding balance of any medical claims remaining from the "MedPay" portion of an automobile liability policy covering the insured person.

This excludes Medicare Advantage and self-funded (ASO) plans.

An exception to the provisions is allowed if there is an agreement between the parties and when our subrogation process is in accordance with the Louisiana Department of Insurance's regulation governing coordination of benefits (COB).

You will cooperate with the Company in protecting the Company's legal rights to subrogation and reimbursement. You will do nothing to prejudice the Company's rights under this provision, either before or after the need for services or benefits under the Policy. The Company may, at its option, take necessary and appropriate action to preserve its rights under these subrogation provisions, including filing suit in your name. You will hold in trust any proceeds of settlement or judgment for the benefit of the Company under these subrogation provisions. You will not accept any settlement that does not fully compensate or reimburse the Company without the written approval of the Company. You agree to execute and deliver such documents (including a written confirmation of assignment, and consents to release dental records), and provide such help (including responding to requests for information about any accident or injuries and making court appearances) as may be reasonably requested by the Company.

Refund of Overpayments

If we pay benefits for expenses incurred on account of you, that you, or any other person or organization that was paid, must make a refund to us if any of the following apply:

- All or some of the expenses were not paid by you or did not legally have to be paid by you.
- All or some of the payment we made exceed the benefits under the Policy.
• All or some of the payment was made in error.

The refund equals the amount we paid in excess of the amount we should have paid under the Policy. If the refund is due from another person or organization, then you agree to help us get the refund when requested. We will share in the legal expenses incurred in pursuing recovery from third parties.

If you, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future benefits for you that are payable under the Policy. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

**Limitation of Action**

You cannot bring any legal action against us to recover reimbursement until you have completed all the steps in the appeal process described in *Section 5: Questions, Complaints and Appeals*. After completing that process, if you want to bring a legal action against us you must do so within three years of the date we notified you of our final decision on your appeal or you lose any rights to bring such an action against us.
Section 7: Coordination of Benefits

Benefits When You Have Coverage under More than One Plan

This section describes how benefits under the Policy will be coordinated with those of any other plan that provides benefits to you.

When Coordination of Benefits Applies

This coordination of benefits (COB) provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules below govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

Definitions

For purposes of this section, terms are defined as follows:

A. A Plan is any of the following that provides benefits or services for medical, pharmacy or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

2. Plan does not include: hospital indemnity coverage insurance or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under 1. or 2. above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

B. This Plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

C. The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.

DCERT.12.LA 22
D. Allowable Expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a Covered Person is not an Allowable Expense.

The following are examples of expenses or services that are not Allowable Expenses:

1. The difference between the cost of a semi-private hospital room and a private room is not an Allowable Expense unless one of the Plans provides coverage for private hospital room expenses.

2. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.

3. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.

4. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.

5. The amount of any benefit reduction by the Primary Plan because a Covered Person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions and preferred provider arrangements.

E. Closed Panel Plan is a Plan that provides health care benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

F. Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

**Order of Benefit Determination Rules**

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.

B. Except as provided in the next paragraph, a Plan that does not contain a coordination of benefits provision that is consistent with this provision is always primary unless the provisions of both Plans state that the complying plan is primary.
Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be in excess of any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.

C. A Plan may consider the benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

1. Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

2. Dependent Child Covered Under More Than One Coverage Plan. Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:

a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

   (1) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or

   (2) If both parents have the same birthday, the Plan that covered the parent longest is the Primary Plan.

b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:

   (1) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the Primary Plan. This shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.

   (2) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph a) above shall determine the order of benefits.

   (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph a) above shall determine the order of benefits.

   (4) If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:
(a) The Plan covering the Custodial Parent.
(b) The Plan covering the Custodial Parent's spouse.
(c) The Plan covering the non-Custodial Parent.
(d) The Plan covering the non-Custodial Parent's spouse.

c) For a dependent child covered under more than one plan of individuals who are not
the parents of the child, the order of benefits shall be determined, as applicable, under
subparagraph a) or b) above as if those individuals were parents of the child.

3. Active Employee or Retired or Laid-off Employee. The Plan that covers a person as an
active employee, that is, an employee who is neither laid off nor retired is the Primary Plan.
The same would hold true if a person is a dependent of an active employee and that same
person is a dependent of a retired or laid-off employee. If the other Plan does not have this
rule, and, as a result, the Plans do not agree on the order of benefits, this rule is ignored.
This rule does not apply if the rule labeled D.1. can determine the order of benefits.

4. COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant
to COBRA or under a right of continuation provided by state or other federal law is covered
under another Plan, the Plan covering the person as an employee, member, subscriber or
retiree or covering the person as a dependent of an employee, member, subscriber or retiree
is the Primary Plan, and the COBRA or state or other federal continuation coverage is the
Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not
agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled
D.1. can determine the order of benefits.

5. Longer or Shorter Length of Coverage. The Plan that covered the person as an employee,
member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that
covered the person the shorter period of time is the Secondary Plan.

6. If the preceding rules do not determine the order of benefits, the Allowable Expenses shall
be shared equally between the Plans meeting the definition of Plan. In addition, This Plan
will not pay more than it would have paid had it been the Primary Plan.

**Effect on the Benefits of This Plan**

A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided
by all Plans are not more than the total Allowable Expenses. In determining the amount to be paid
for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of
other health care coverage and apply that calculated amount to any Allowable Expense under its
Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the
amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or
provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In
addition, the Secondary Plan shall credit to its plan deductible any amounts it would have credited
to its deductible in the absence of other health care coverage.

B. If a Covered Person is enrolled in two or more Closed Panel Plans and if, for any reason, including
the provision of service by a non-panel provider, benefits are not payable by one Closed Panel
Plan, COB shall not apply between that Plan and other Closed Panel Plans.

C. This Coverage Plan reduces its benefits as described below for Covered Persons who are eligible
for Medicare when Medicare would be the Primary Coverage Plan.

Medicare benefits are determined as if the full amount that would have been payable under
Medicare was actually paid under Medicare, even if:
• The person is entitled but not enrolled in Medicare. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.

• The person is enrolled in a Medicare Advantage (Medicare Part C) plan and receives non-covered services because the person did not follow all rules of that plan. Medicare benefits are determined as if the services were covered under Medicare Parts A and B.

• The person receives services from a provider who has elected to opt-out of Medicare. Medicare benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.

• The services are provided in any facility that is not eligible for Medicare reimbursements, including a Veterans Administration facility, facility of the Uniformed Services, or other facility of the federal government. Medicare benefits are determined as if the services were provided by a facility that is eligible for reimbursement under Medicare.

• The person is enrolled under a plan with a Medicare Medical Savings Account. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts we need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits.

We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give us any facts we need to apply those rules and determine benefits payable. If you do not provide us the information we need to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Payments Made

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments we made is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for you. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

When Medicare is Secondary

If you have other health insurance which is determined to be primary to Medicare, then Benefits payable under This Plan will be based on Medicare’s reduced benefits. In no event will the combined benefits paid under these coverages exceed the total Medicare Eligible Expense for the service or item.
Section 8: Continuation of Coverage

If your Coverage ends under the Policy, you may be entitled to elect continuation Coverage (Coverage that continues on in some form) in accordance with federal law.

Continuation Coverage under COBRA (the federal Consolidated Omnibus Budget Reconciliation Act) is available only to Enrolling Groups that are subject to the terms of COBRA. You can contact your plan administrator to determine if your Enrolling Group is subject to the provisions of COBRA.

If you selected continuation coverage under a prior plan which was then replaced by Coverage under the Policy, continuation Coverage will end as scheduled under the prior plan or in accordance with federal or state law, whichever is earlier.

We are not the Enrolling Group's designated "plan administrator" as that term is used in federal law, and we do not assume any responsibilities of a "plan administrator" according to federal law.

We are not obligated to provide continuation Coverage to you if the Enrolling Group or its plan administrator fails to perform its responsibilities under federal law. Examples of the responsibilities of the Enrolling Group or its plan administrator are:

- Notifying you in a timely manner of the right to elect continuation Coverage.
- Notifying us in a timely manner of your election of continuation Coverage.
Section 9: Procedures for Obtaining Benefits

Dental Services
You are eligible for Coverage for Dental Services listed in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services* of this Certificate if such Dental Services are Necessary and are provided by or under the direction of a Dental Provider or other provider. All Coverage is subject to the terms, conditions, exclusions and limitations of the Policy.

Network and Non-Network Benefits
This Certificate describes both benefit levels available under the Policy.

Network Benefits
Dental Services must be provided by a Network Dental Provider in order to be considered Network Benefits.

The only exception is if you need Emergency care and you are out of your service area or are unable to contact your Network general Dental Provider. In this situation, Emergency care will be Covered as a Network Benefit and you will not be responsible for greater out-of-pocket expenses than if you had attended a Network Dental Provider. You must submit appropriate reports and x-rays.

When Dental Services are received from a Non-Network Dental Provider as a result of an Emergency, the Copayment will be the Network Copayment.

Enrolling for Coverage under the Policy does not guarantee Dental Services by a particular Network Dental Provider on the list of Dental Providers. The list of Network Dental Providers is subject to change. When a Dental Provider on the list no longer has a contract with us, you must choose among remaining Network Dental Providers. You are responsible for verifying the Network participation status of your Dental Provider, prior to receiving such Dental Services. You must show your ID card every time you request Dental Services.

If you fail to verify whether your treating Dental Provider participation in the Network or to show your ID card, and the failure results in non-compliance with our required procedures, Coverage of Network Benefits may be denied.

Coverage for Dental Services is subject to payment of the Premium required for Coverage under the Policy, satisfaction of any applicable deductible, appropriate Waiting Period, payment of the Copayment specified for any service and payment of the percentage of Eligible Expenses shown in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services* and generally require you to pay less to the Dental Provider than Non-Network Benefits. Network Benefits are determined based on the contracted fee for each Covered Dental Service. In no event will you be required to pay a Network Dental Provider an amount for a Covered Dental Service in excess of the contracted fee.

Non-Network Benefits
Non-Network Benefits apply when you obtain Dental Services from Non-Network Dental Providers.

Before you are eligible for Coverage of Dental Services obtained from Non-Network Dental Providers, you must meet the requirements for payment of the applicable deductible and appropriate Waiting Period specified in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services*. Generally you are required to pay more than Network Benefits. Non-Network Dental Providers may request that you pay all charges when services are rendered. You must file a claim with us for reimbursement of Eligible Expenses.
We will reimburse a Non-Network Dental Provider for a Covered Dental Service up to an amount equal to the contracted fee for the same Covered Dental Service received from a similarly situated Network Dental Provider. The actual charge made by a Non-Network Dental Provider for a Covered Dental Service may exceed the contracted fee. As a result, you may be required to pay a Non-Network Dental Provider an amount for a Covered Dental Service in excess of the contracted fee. In addition, when you obtain Covered Dental Services from a Non-Network Dental Provider, you must file a claim with us to be reimbursed for Eligible Expenses.

**Network Dental Providers**

We have arranged with certain Dental Providers to participate in a Network. These Network Dental Providers have agreed to discount their charges for Covered services and supplies.

If Network Dental Providers are used, the amount of Covered expenses for which you are responsible will generally be less than the amount owed if Non-Network Dental Providers had been used. The Copayment level (the percentage of Covered expenses for which you are responsible) remains the same whether or not Network Dental Providers are used. However, because the total charges for Covered expenses may be less when Network Dental Providers are used, the portion that you owe will generally be less.

You are issued an identification card (ID card) showing you are eligible for Network discounts. You must show this ID card every time Dental Services are given. This is how the Dental Provider knows that you are Covered under a Network plan. Otherwise, you could be billed for the Dental Provider's normal charge.

**Directory of Network Dental Providers**

A Directory of Network Dental Providers will be made available. You may access the Directory of Network Dental Providers online at the website listed on your ID card. You can also call customer service to determine which Dental Providers participate in the Network. The telephone number for customer services is on the ID card.

Network Dental Providers are responsible for submitting a request for payment directly to us, however, you are responsible for any Copayment at the time of service. If a Network Dental Provider bills you, customer services should be called. You do not need to submit claims for Network Dental Provider services or supplies.

**Pre-Treatment Estimate**

If the charge for a Dental Service is expected to exceed $500 or if a dental exam reveals the need for fixed bridgework, you may notify us of such treatment before treatment begins and receive a Pre-Treatment Estimate. If you desire a Pre-Treatment Estimate, you or your Dental Provider should send a notice to us, via claim form, within 20 calendar days of the exam. If requested, the Dental Provider must provide us with dental x-rays, study models or other information necessary to evaluate the treatment plan for purposes of benefit determination.

We will determine if the proposed treatment is Covered under the Policy and estimate the amount of payment. The estimate of benefits payable will be sent to the Dental Provider and will be subject to all terms, conditions and provisions of the Policy. Clinical situations that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure.

Pre-Treatment Estimate of benefits is not an agreement to pay for expenses. This procedure lets you know in advance approximately what portion of the expenses will be considered for payment.
Section 10: Covered Dental Services

Dental Services described in this Section and in the Schedule of Covered Dental Services are Covered when such services are:

A. Necessary;
B. Provided by or under the direction of a Dental Provider; and
C. Not excluded as described in Section 11: General Exclusions.

Clinical situations that can be effectively treated by a less costly, dental appropriate alternative procedure will be assigned a benefit based on the least costly procedure.

Covered Dental Services are subject to satisfaction of any applicable Waiting Periods, applicable Deductibles, Maximum Benefits and payment of any Copayments as described below and in the Schedule of Covered Dental Services.

This Section and the Schedule of Covered Dental Services: (1) describe the Covered Dental Services and any applicable limitations to those services; (2) outline the Copayments that you are required to pay and any applicable Waiting Periods for each Covered Dental Service; and (3) describe the applicable Deductible and any Maximum Benefits that may apply.

Network Benefits:

When Network Copayments are charged as a percentage of Eligible Expenses, the amount you pay for Dental Services from Network Dental Providers is determined as a percentage of the negotiated contract fee between us and the Dental Provider rather than a percentage of the Dental Provider's billed charge. Our negotiated rate with the Dental Provider is ordinarily lower than the Dental Provider's billed charge.

A Network Dental Provider cannot charge you or us for any service or supply that is not Necessary as determined by us. If you agree to receive a service or supply that is not Necessary the Network Dental Provider may charge you. However, these charges will not be considered Covered Dental Services and will not be payable by us.

Non-Network Benefits:

When Copayments are charged as a percentage of Eligible Expenses, the amount you pay for Dental Services from Non-Network Dental Providers is determined as a percentage of the negotiated contract rates of Network Dental Providers plus the amount by which the Non-Network Dental Provider's billed charge exceeds the contracted fee.

Deductible

Annual Deductible is $50 per Covered Person per calendar year and $150 for all Covered Persons in a family.

Coordination of Benefits Amendment

UnitedHealthcare Insurance Company

As described in this Amendment, the Coordination of Benefits language in the Policy is modified.

The following language is replacing the current language in Section 7: Coordination of Benefits.

Benefits When You Have Coverage under More than One Plan

This section describes how benefits under the Policy will be coordinated with those of any other plan that provides benefits to you.

When Coordination of Benefits Applies

This coordination of benefits (COB) provision applies when a person has health care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules below govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense.

Definitions

For purposes of this section, terms are defined as follows:

A. A Plan is any of the following that provides benefits or services for medical, pharmacy or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same plan and there is no COB among those separate contracts.

1. Plan includes: group and non-group insurance contracts, health maintenance organization (HMO) contracts, closed panel plans or other forms of group or group-type coverage (whether insured or uninsured); medical care components of long-term care contracts, such as skilled nursing care; medical benefits under group or individual automobile contracts; and Medicare or any other federal governmental plan, as permitted by law.

2. Plan does not include: hospital indemnity coverage insurance or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental plans, unless permitted by law.

Each contract for coverage under 1 or 2 above is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

B. This Plan means, in a COB provision, the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.
C. The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When This Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.

D. Allowable Expense is a health care expense, including deductibles, coinsurance and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a Covered Person is not an Allowable Expense.

The following are examples of expenses or services that are not Allowable Expenses:

1. The difference between the cost of a semi-private hospital room and a private room is not an Allowable Expense unless one of the Plans provides coverage for private hospital room expenses.

2. If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.

3. If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.

4. If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.

5. The amount of any benefit reduction by the Primary Plan because a Covered Person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of plan provisions include second surgical opinions, precertification of admissions and preferred provider arrangements.

E. Closed Panel Plan is a Plan that provides health care benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

F. Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

**Order of Benefit Determination Rules**

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:
A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.

B. Except as provided in the next paragraph, a Plan that does not contain a coordination of benefits provision that is consistent with this provision is always primary unless the provisions of both Plans state that the complying plan is primary.

Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be in excess of any other parts of the Plan provided by the contract holder. Examples of these types of situations are major medical coverages that are superimposed over base plan hospital and surgical benefits and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.

C. A Plan may consider the benefits paid or provided by another Plan in determining its benefits only when it is secondary to that other Plan.

D. Each Plan determines its order of benefits using the first of the following rules that apply:

1. Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.

2. Dependent Child Covered Under More Than One Coverage Plan. Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:

   a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:

   (1) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or

   (2) If both parents have the same birthday, the Plan that covered the parent longest is the Primary Plan.

   b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:

   (1) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the Primary Plan. This shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.

   (2) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph a) above shall determine the order of benefits.

   (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care
coverage of the dependent child, the provisions of subparagraph a) above shall
determine the order of benefits.

(4) If there is no court decree allocating responsibility for the child's health care
expenses or health care coverage, the order of benefits for the child are as
follows:

(a) The Plan covering the Custodial Parent.
(b) The Plan covering the Custodial Parent’s spouse.
(c) The Plan covering the non-Custodial Parent.
(d) The Plan covering the non-Custodial Parent’s spouse.

c) For a dependent child covered under more than one plan of individuals who are not
the parents of the child, the order of benefits shall be determined, as applicable, under
subparagraph a) or b) above as if those individuals were parents of the child.

d) (i) For a dependent child who has coverage under either or both parents’ plans and
also has his or her own coverage as a dependent under a spouse’s plan, the rule in
paragraph (5) applies.

(ii) In the event the dependent child's coverage under the spouse's plan began on the
same date as the dependent child's coverage under either or both parents' plans, the
order of benefits shall be determined by applying the birthday rule in subparagraph (a)
to the dependent child's parent(s) and the dependent's spouse.

3. Active Employee or Retired or Laid-off Employee. The Plan that covers a person as an
active employee, that is, an employee who is neither laid off nor retired is the Primary Plan.
The same would hold true if a person is a dependent of an active employee and that same
person is a dependent of a retired or laid-off employee. If the other Plan does not have this
rule, and, as a result, the Plans do not agree on the order of benefits, this rule is ignored.
This rule does not apply if the rule labeled D.1. can determine the order of benefits.

4. COBRA or State Continuation Coverage. If a person whose coverage is provided pursuant
to COBRA or under a right of continuation provided by state or other federal law is covered
under another Plan, the Plan covering the person as an employee, member, subscriber or
retiree or covering the person as a dependent of an employee, member, subscriber or retiree
is the Primary Plan, and the COBRA or state or other federal continuation coverage is the
Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not
agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled
D.1. can determine the order of benefits.

5. Longer or Shorter Length of Coverage. The Plan that covered the person as an employee,
member, policyholder, subscriber or retiree longer is the Primary Plan and the Plan that
covered the person the shorter period of time is the Secondary Plan.

6. If the preceding rules do not determine the order of benefits, the Allowable Expenses shall
be shared equally between the Plans meeting the definition of Plan. In addition, This Plan
will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided
by all Plans are not more than the total Allowable Expenses. In determining the amount to be paid
for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of
other health care coverage and apply that calculated amount to any Allowable Expense under its
Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the
amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

B. If a Covered Person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

C. This Coverage Plan reduces its benefits as described below for Covered Persons who are eligible for Medicare when Medicare would be the Primary Coverage Plan.

Medicare benefits are determined as if the full amount that would have been payable under Medicare was actually paid under Medicare, even if:

- The person is entitled but not enrolled in Medicare. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.
- The person is enrolled in a Medicare Advantage (Medicare Part C) plan and receives non-covered services because the person did not follow all rules of that plan. Medicare benefits are determined as if the services were covered under Medicare Parts A and B.
- The person receives services from a provider who has elected to opt-out of Medicare. Medicare benefits are determined as if the services were covered under Medicare Parts A and B and the provider had agreed to limit charges to the amount of charges allowed under Medicare rules.
- The services are provided in any facility that is not eligible for Medicare reimbursements, including a Veterans Administration facility, facility of the Uniformed Services, or other facility of the federal government. Medicare benefits are determined as if the services were provided by a facility that is eligible for reimbursement under Medicare.
- The person is enrolled under a plan with a Medicare Medical Savings Account. Medicare benefits are determined as if the person were covered under Medicare Parts A and B.

**Right to Receive and Release Needed Information**

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts we need from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits.

We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give us any facts we need to apply those rules and determine benefits payable. If you do not provide us the information we need to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

**Payments Made**

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, we may pay that amount to the organization that made the payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.
Right of Recovery

If the amount of the payments we made is more than we should have paid under this COB provision, we may recover the excess from one or more of the persons we have paid or for whom we have paid; or any other person or organization that may be responsible for the benefits or services provided for you. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

When Medicare is Secondary

If you have other health insurance which is determined to be primary to Medicare, then Benefits payable under This Plan will be based on Medicare's reduced benefits. In no event will the combined benefits paid under these coverages exceed the total Medicare Eligible Expense for the service or item.

This amendment is subject to applicable terms and conditions of the Policy. All other provisions of the Policy remain unchanged.

Identification Card Amendment

UnitedHealthcare Insurance Company

As described in this Amendment, Policy and Certificate references to Identification (ID) Card are modified as shown below.

The following language replaces the Identification Card provision in the Introduction to Your Certificate:

Identification (ID) Card

You are not required to show an Identification (ID) Card to receive Dental Services. You may be required to provide identification information to your Dental Provider to verify your eligibility for benefits (name or date of birth).

You may obtain an ID Card by going to our website, www.myuhc.com, and printing one for yourself.

For any references in the Certificate to information available on Your ID Card please contact our Customer Service Department at the telephone number shown on your ID card.

The following language is removed from Section 9: Procedures for Obtaining Benefits, Network Benefits provision as we no longer require the Covered Person to show their ID to receive Dental Services:

You must show your ID card every time you request Dental Services.

If you fail to verify whether your treating Dental Provider participation in the Network or to show your ID card, and the failure results in non-compliance with our required procedures, Coverage of Network Benefits may be denied.

The following language is added to Section 9: Procedures for Obtaining Benefits, Network Benefits:

If you fail to verify whether your treating Dental Provider participates in the Network and the failure results in non-compliance with our required procedures, Coverage of Network Benefits may be denied.

The following language is removed from Section 9: Procedures for Obtaining Benefits, Network Dental Providers provisions as we no longer require the Covered Person to show their ID to receive Dental Services:

You are issued an identification card (ID card) showing you are eligible for Network discounts. You must show this ID card every time Dental Services are given. This is how the Dental Provider knows that you are Covered under a Network plan. Otherwise, you could be billed for the Dental Provider's normal charge.

This amendment is subject to applicable terms and conditions of the Policy. All other provisions of the Policy remain unchanged.

Claims and Appeal Notice

This Notice is provided to you in order to describe our responsibilities under Federal law for making benefit determinations and your right to appeal adverse benefit determinations. To the extent that state law provides you with more generous timelines or opportunities for appeal, those rights also apply to you. Please refer to your benefit documents for information about your rights under state law.

Benefit Determinations

Post-service Claims

Post-service claims are those claims that are filed for payment of Benefits after dental care has been received.

Pre-service Requests for Benefits

Pre-service requests for Benefits are those requests that require prior authorization or benefit confirmation prior to receiving dental care.

How to Request an Appeal

If you disagree with a pre-service request for benefits determination, post-service claim determination or a rescission of coverage determination, you can contact us in writing to request an appeal.

Your request for an appeal should include:

• The patient’s name and Policy number.
• The date(s) of Dental Service(s).
• The provider’s name.
• The reason you believe the claim should be paid.
• Any documentation or other written information to support your request for claim payment.

Your appeal request must be submitted to us within 180 days after you receive the denial of a pre-service request for benefits or the claim denial.

Appeal Process

A qualified individual who was not involved in the decision being appealed will be chosen to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a Dental care professional with experience in the field, who was not involved in the prior determination. We may consult with, or ask dental experts to take part in the appeal process. You consent to this referral and the sharing of needed dental claim information. Upon request and free of charge, you have the right to reasonable access to and copies of all documents, records and other information related to your claim for Benefits. If any new or additional evidence is relied upon or generated by us during the determination of the appeal, we will provide it to you free of charge and in advance of the due date of the response to the adverse benefit determination.

Appeals Determinations

Pre-service Requests for Benefits and Post-service Claim Appeals
For procedures related with urgent requests for Benefits, see Urgent Appeals that Require Immediate Action below.

You will be provided written or electronic notification of the decision on your appeal as follows:

- For appeals of pre-service requests for Benefits as identified above, the appeal will take place and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied request for benefits.

- For appeals of post-service claims as identified above, the appeal will take place and you will be notified of the decision within 60 days from receipt of a request for appeal of a denied claim.

Please note that our decision is based only on whether or not Benefits are available under the Policy for the proposed treatment or procedure.

You may have the right to external review through an Independent Review Organization (IRO) upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in our decision letter to you.

**Urgent Appeals that Require Immediate Action**

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Dental Provider should call us as soon as possible.

- We will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.

- If we need more information from your Dental Provider to make a decision, we will notify you of the decision by the end of the next business day following receipt of the required information.

The appeal process for urgent situations does not apply to prescheduled treatments, therapies or surgeries.
