Name of Department _____

Name of Student Intern _____

The sponsoring department agrees to abide by the following conditions:

1. The purpose and goals of the internship are to expose the intern to American techniques, methodologies, and expertise; to expand upon the intern's existing knowledge and skills; and to promote international exchange. 2. The student intern will engage in a full-time internship of at least 32 hours per week.
3. Close supervision will be provided throughout the duration of the internship.

5. The internship will not duplicate any prior internship experience of the student intern.
6. The internship will not place the student intern in a position that involves unskilled or casual labor or that involves patient care or contact of any kind.
7. The internship does not serve to fill a labor need. The internship exists solely to assist the student intern in achieving the objectives of his or her participation in a student internship program.

9. The internship will consist of no more than 20% clerical work.
10. The department will ensure the intern has a check-in appointment with International Services as soon as the intern arrives at LSU.
