

## 27 Jan 2023 General Meeting

### *LGBTQ+ Faculty and Staff Caucus*

#### Executive Committee Reports

- President Report
  - Update on OLOL + SHC:
    - Forwarded questions to Dan, who forwarded to “Lake representatives.” No one has responded. Dan checked in to see if anyone had responded, and seemed disappointed that they hadn’t.
    - Dan: Student Government has scheduled an open forum for Wednesday, February 1st. The location will be determined tomorrow. While the forum is “for students”, I encourage you and others to attend if of interest.
  - Mailroom situation appears to be on-going. Students who have changed their names are not receiving mail sent to the newer name, but only to their legal name. Hopefully more conversations about this in the future.
  - Similar problem with course evaluations deadnaming instructors. A representative from Testing and Evaluation Services recommended changing course evaluations so that they only reference last names, but that includes problems as well.
  - VP Mark Bieger in the Office of Strategy and Strategic Planning asked to join our next meeting to consult with us about the university’s Strategic Plan. I said he was welcome to.
  - Other priorities:
    - Update all-gender single-use bathroom map with more information
    - More social events
  - T-shirt forthcoming! (can we show the sketch?)
- Treasurer Report
- Secretary Report:
  - Grad Representative
    - Desh graduated and has already found gainful employment in Salt Lake City! Desh was great and we will miss his bright smile and cheerful energy!
    - We would like to welcome **Noelle Allison** as our newly appointed Graduate Representative!
- Grad Rep Report
