

**Admissions, Standards and Honors (ASH) Committee Meeting
February 14, 2014
305 CADDO Rm, LSU Union**

Meeting opened at 12:30 with quorum; Gerry Knapp presiding (also recording minutes)

In attendance:

- Voting members –Gerry Knapp, Alex Garn, Doug McMillin, Paul LaRock, Larry Smolinsky, Fakhri Al-Bagdadi, Cathy Williams
 - Proxies held: Gerry Knapp for Graham Bodie
- Non-voting members –Robert Doolos, Michael Blandino, Walt Holliday, Paul Ivey
- Guests: Robert Perlis (Mathematics)

Minutes from Nov 1, 2013 were approved by unanimous vote.

I. Mathematics Proposal (First Reading): Revision in timing of MACT/QSAT scores for placement credit.

This proposal revises the current catalog description to state that MACT/QSAT scores must be no more than 24 months old on student's first day of classes as opposed to at time of admission (currently used). The time of admission varies considerably from student to student and has not been workable, particularly for students deferring starting classes after admission (can be considerably greater than 24 months between tests and start of classes in this case).

*Motion to suspend rule and vote on proposal - approved
Proposal unanimously approved*

II. Motion on catalog wording for courses at two-year colleges

Motion (Knapp) from previous meeting: In the General Catalog, under "Academic Requirements for Obtaining a Degree", it is proposed to replace the current language:

"After students have earned one-half of the applied credits required for a bachelor's degree, they may not use additional credits earned in a two-year college outside the LSU System to fulfill degree requirements, unless authorized to do so by the dean of their college or school"

with the following wording:

"After students have earned one-half of the applied credits for a bachelor's degree, they must receive prior written approval from the dean of the LSU college or school offering the major in order to use additional credits earned at a two-year college outside the LSU System to fulfill degree requirements."– reword the catalog along the following lines: After students have earned one-half of the applied credits for a bachelor's degree, they must seek authorization from the dean of their college or school in order to earn credits at a two-year college outside the LSU System."

In discussion on the motion, it was requested to determine from Academic Affairs whether this policy could also be applied to 2-year colleges within the LSU System (LSU Eunice). Knapp will inquire. Motion was tabled for next meeting

Motion tabled to next meeting

Meeting adjourned 12:52 PM.

Remaining meetings this semester, to be held in the LSU Union (rooms to be determined).

Note alternating starting times:

- Friday, March 14, 1:30-2:30pm
- Friday, April 11, 12:30-1:30pm
- Friday, May 9, 1:30-2:30pm
