I. Courses:
   - Conditionally approved proposals for:
     - PADM 7009 ADD INTRODUCTION TO DATA ANALYTICS FOR PUBLIC ADMINISTRATION – Will you drop PADM 5009? What is the hour breakdown of class activities? The grading scale stops at C- and should be continued on. There is a typo in the syllabus that refers to 5009 that should be 7009. Late submissions should allow for absences in accordance to PS-22.
     - PADM 7010 ADD APPLIED DATA ANALYTICS FOR PUBLIC ADMINISTRATION – Will you drop PADM 5010? The out of class expectations are missing from the syllabus. Final exam is checked but it appears to be a project. If so, please include a justification for the project in place of the final exam. The group project needs to state how individuals will be evaluated. How will group presentations for 40 students be done on the same day?
     - KIN 4836 ADD INTERNSHIP IN SPORT ADMINISTRATION – there should be statements in both 4836 and 4835 that states the restricted credit for these courses. The appendices were not included with the proposal.
     - ENGL 1000 CHG ENGLISH COMPOSITION – Is this going to be a perquisite for another course? If so, you will need to submit it.
     - ART 2020 ADD SPECIAL TOPICS IN ART – the committee suggest that the gatekeeper be permission of department for a repeatable course. More information is needed on what the projects are and what they will be required to do. Which project is the final project? It should be a culmination of the course
     - ART 3020 ADD SPECIAL TOPICS IN ART – the committee suggest that the gatekeeper be permission of department for a repeatable course. More information is needed on what the projects are and what they will be required to do.
