Information regarding current guidance can be found on the LSU Coronavirus Updates & Information website, lsu.edu/coronavirus.

PREVENTION

Members of the LSU community can reduce their risk of being exposed to the Coronavirus by following these measures:
- Cover nose and mouth with a tissue when coughing/sneezing. Dispose of tissue in the trash after use.

COMMUNITY LIVING POLICIES

For the safety of residents during this time, the following policies have been implemented for all Residential Life communities until further notice:

Residents must wear a face covering whenever in a public area within a Residential Life community.
- Public area is defined as any location outside of the doorway to the individual residence hall room, suite room, and/or apartment. More specifically, the door that displays the room/suite/apartment number.

Guests are permitted in accordance with the following:

Guests are defined as any individual who is not a contracted resident of the building in question. Socialization is an important part of the college experience, especially for first-year students. We hope residents will get to know their neighbors inside their building during phases one and two, and then get to know more people in other buildings as campus enters later phases of reopening. Guests are permitted in accordance with the following:
- **Phase 1** - No guests/visitation within Residential Life communities
- **Phase 2** - No guests/visitation within Residential Life communities
- **Phase 3** - Limited guests/visitation within Residential Life communities
  - One guest per resident.
  - Guests must always be escorted by host resident within the community.
  - Guests are limited to current Residential Life residents.
  - Visitation hours are 10:00 a.m. to 10:00 p.m.
  - No overnight guests.
- **Phase 4** - Limited guests/visitation within Residential Life communities
  - One guest per resident.
  - Guests must always be escorted by host resident within the community.
  - Guests who are not current residents must check-in and check-out via the community front desk.
  - Visitation hours are 10:00 AM to 2:00 AM on weekdays and until 3:00 AM on weekends.
  - No overnight guests.
- **Normal** - Return to standard Residential Life guest and guest visitation policy on pages 14-15.

Residents that exhibit any signs or symptoms of COVID-19 or that have been in close contact with someone who has tested positive for COVID-19 must contact a medical provider within one (1) business day and self-quarantine.
- Self-quarantine means not going into the public and/or interacting with other people.
- Resident must inform their community’s Residence Coordinator (RC) that they are going into self-quarantine.

If a resident’s health provider has confirmed or suspects that they have COVID-19:
- Resident must notify their community’s RC via telephone that they are either in need of accommodations to isolate or that they are leaving campus to isolate.
- If the resident would like to report these findings to LSU, please send an email to reportcovid@lsu.edu.

Residents must disclose all travel per policies set forth by the LSU EOC, lsu.edu/coronavirus.

Residents in isolation or quarantine will not be allowed to return to their normal on-campus assignment until released by their medical provider or appropriate medical authority.
- Resident must notify their community’s RC via telephone prior to returning to their normal assignment

No more than three (3) people are allowed in an elevator at one time.

Residents will practice physical distancing and not exceed posted occupancy of community spaces.

Potential violations of these policies will be addressed through the Residential Life Student Conduct Process. If found responsible for violating the policies through the process, appropriate outcomes will be assigned to residents. Outcomes may include removal from on-campus living.
Know your responsibilities and rights as a resident in your community.

Being a member of a community brings a set of rights as well as responsibilities. We encourage you to seek active roles in your community as a leader, student, and peer.

Community Standards
LSU’s residence halls and apartments have established community standards, which are intended to promote the well-being and rights of all community members as well as maintain the facilities and physical surroundings in which the community exists. Resident Assistants (RAs) lead their communities in upholding community standards within the residence halls and apartment communities.

All members of our community are responsible for supporting an atmosphere that appreciates individual differences and recognizes each person’s unique contribution to the university.

GET INVOLVED

Getting involved in your community is a great way to meet new friends, learn valuable skills, and contribute positively to your living environment. There are many different student leadership opportunities that allow you to be involved within Residential Life both in your specific community or with the campus as a whole. If you have questions about how to get involved in your community, speak with your RC, GRC, or RA.

Residence Hall Association - rha@lsu.edu - lsu.edu/RHA
The Residence Hall Association (RHA) represents all students living in residence halls and on-campus apartments. RHA acts as a governing body by reviewing and recommending changes in regulations, policies, and physical facilities pertinent and beneficial to students living on campus. RHA also organizes and sponsors educational, social, and leadership activities of benefit and interest to on-campus residents.

RHA is composed of student officers elected by on-campus students. All on-campus residents are automatically general members of the RHA and are entitled to run for positions within the organization. The RHA executive board is elected during the spring semester, which serves a term that spans one calendar year. During the fall semester, on-campus residents can run for positions as an RHA Senator, RHA Ambassador, or for positions within their Community Council.

Community Council - rha@lsu.edu - lsu.edu/RHA
Community Councils reflect the interests and concerns of residents to propose changes beneficial to the community. Community Councils also plan social and educational programs based on community interests. Each residence hall and apartment complex is represented by a Community Council, which is comprised of representatives from each hall. The officers are elected at the beginning of the fall semester by residents of the community. Any resident may run for a Community Council position. Community Councils, with assistance from the Residence Hall Association, conduct their annual fundraiser at the beginning of the year with the Activity Card sale. The funds are then used by the Community Council to hold community activities and enhance the living environment.

National Residence Hall Honorary - nrhh@lsu.edu
The National Residence Hall Honorary (NRHH) is an honorary student organization made up of the top 1% of student leaders in the residence halls. NRHH focuses on two main aspects - recognition and service. To be considered for NRHH, a student must have lived on campus for at least one academic year, maintained a 2.5 GPA, and contributed in excellent ways to your residential community. Each semester students are nominated and inducted into NRHH at a special ceremony in their honor.

Of The Month - One of the main recognition programs coordinated by NRHH is the “Of the Month” or “OTM” program. Throughout the year, students, faculty, and staff nominate outstanding programs or individuals for an “Of the Month” award. To submit a nomination, visit http://otms.nrhh.org/. Nominations compete at the campus level and have the opportunity to be considered for both regional and national awards in a variety of categories.

Dance Marathon - dmatlsu.org
Dance Marathon at LSU is a yearlong, student run organization that raises funds and awareness for our local Children’s Miracle Network Hospital. In the past 5 years, our students have fundraised over $1,000,000 to help build the new freestanding children’s hospital in Baton Rouge.

Every on-campus community has their own Dance Marathon team that fund raises and attends “The Big Event” together in the spring. The “Big Event” is a 20-hour long event that celebrates the patients and families that have received treatment from the hospital. Students can join their community team as a Dancer or as a DREP (Dancer Representative), a leadership position in Dance Marathon that acts as the team captain and helps to lead the community efforts!
ROOMMATES & SUITEMATES

Making the most of living in your new residence hall or apartment community starts with getting settled in and getting to know your roommate. Living with and among others is one of the most exciting, unique, and potentially stressful aspects of living on campus.

Whether you and your roommate are old friends or matched using the roommate finder portal, developing a healthy relationship will help make living in your new room or apartment comfortable. While you and your roommate are not required to become close friends, sharing a living space will ensure you interact with one another on a daily basis. Great roommates openly communicate, respect one another, and willfully compromise.

**Before You Move In**
The relationship you have with your roommate should start before move-in day. Prior to arriving on campus, be sure to discuss what each of you plan to bring and what kind of relationship you’re hoping to have with one another.

Forging this new relationship before living together might include getting to know each other’s sleeping habits, cleanliness standards, and pet peeves. It’s likely that you and your roommate will differ, therefore it is crucial to be clear about what you want and what you are willing to compromise on.

As excited or nervous as you may be to meet your new roommate, keep in mind that social media may not provide an accurate illustration of others. Grant yourself the opportunity to get to know this new person for who they truly are.

**Discussion Topics**

**ACTIONS**
- How early will you be waking up?
- How late will you be staying up?
- How often do you plan to be in the room?
- What do you plan to use the room for?
- When and where do you plan to study?
- What kind of environment do you need to study?

**SPACE**
- How often will we clean the room/apartment?
- Who will clean what?
- What items are you willing to share?
- What items are you not willing to share?
- What is your ideal temperature for the room or apartment?

**GUESTS**
- How do you feel about having friends and visitors over?
- How frequent do you plan to have guests and visitors over?
- What are your thoughts on having overnight guests?

**COMMUNICATION**
- How should we address conflicts between us?
- How will we confront each other?
- Does in-person communication work better for solving problems?
- How will we involve our RA in working through our conflicts?

**Living Together**
Once you have made it to campus, take time to get to know your roommate – this can be as simple as sharing a meal in the dining hall, attending a campus event together, or spending time with one another in your room or apartment.

In the first weeks of the semester, roommates will be asked to work together with their RA to complete a roommate agreement. The resident assistant will facilitate the conversation, covering topics including ideal room temperature, guest preferences, privacy, and more. It is important to take this process seriously, and to be honest and realistic during your roommate agreement. These agreements serve as a conversational starting point and should be revisited frequently as relationships between roommates grow.
Throughout the year, there may be times when you and a roommate or suitemate may come to some sort of conflict. Conflict is normal and is even part of the healthiest of relationships. Your success as roommates is not based on whether or not you’ve experienced conflict, but rather how you and your roommate respond to it.

**DISCUSS**
The first, and most important step to conflict resolution is sharing concerns with your roommates; it is possible that your roommate may not be aware that you have this concern. When speaking to your roommate regarding the issue, be sure to keep these tips in mind.

- **Be Calm** – The ways in which you approach the conflict can make the issue easier to address or escalate the conflict. Remaining calm and using appropriate language will help you to solve the issue.

- **Go to the Source** – It’s best to address problems with your roommate, rather than complain to others. Talking to others may only intensify the issue, instead of resolving it.

- **Use “I” Statements** – By using simple “I” statements, you can decrease any implied blame and increase your roommate’s willingness to talk. “I” statements are simple and convey how you feel about the situation. For example, saying “Sometimes I can’t enough sleep because you have guests over,” rather than, “You and your guests always wake me up and I can’t get enough sleep. It’s so annoying.”

**WORK TOGETHER**
Even if you are the one initiating the conversation about a conflict, it is important to realize your role in the situation. Work with your roommate to solve the conflict and make a commitment to listen to one another.

- **Listen** – Even if you are the one bringing up the issue, it is important to listen to what your roommate has to say. Often, conflict is a two-way street, be willing to hear out their concerns, too.

- **Compromise** – More than likely, you and your roommate will not have identical preferences on the room. Be willing to compromise, but stay true to yourself and your preferences.

- **Think for the Future** – Dwelling on a past issue will not help make the relationship with your roommate better. Create a plan to address any conflicts that may arise in the future.

**CONSULT**
You are not alone when living on campus, your resident assistant and other Residential Life staff are here to support and assist you in resolving roommate conflicts.

- **Use your Resources** – If you have not yet resolved the conflict, your RA can give you helpful techniques to use when speaking to your roommate. Additionally, your RA and the other staff in your residence hall or apartment community are able to mediate the conversation among roommates.
The rationale for all policies is that every resident has the opportunity to take advantage of the academic and co-curricular opportunities offered at LSU. In order to ensure that basic right for all residents, we need cooperation. Rules – whether they are state or federal laws, city ordinances, university regulations, or departmental policies – are created for the purpose of clarifying the rights and responsibilities of each individual.

Residents and guests are responsible for becoming familiar with and adhering to policies outlined within the LSU Code of Student Conduct, the Living on Campus Handbook, the housing contract, and Residential Life and LSU policies outlined on the LSU website at lsu.edu/reslife/about/policies.php.

If there are any questions regarding the department polices, please contact in community professional or graduate staff. We encourage dialogue to demonstrate support and to build community.

LSU Cares

LSU Cares is a university initiative dedicated to the well-being of students and promotion of a community that cares about each of its members. LSU offers an online reporting system at lsu.edu/lsucares to help students, faculty, staff, families, and friends submit reports about:

- Potential violations of the LSU Code of Student Conduct;
- Concerns regarding sexual misconduct and hazing;
- Concerns surrounding acts of bias or discrimination;
- Complaints or grievances; and
- Concerns about students in crisis or distress.

Reports may be submitted by anyone with a concern about the LSU community. Reports may be submitted either with a person’s contact information or anonymously. When a report is received, staff will review the details using a CARE approach (Communicate, Assess, Refer, Educate) and then determine a response that includes appropriate campus resources.

Residential Life staff members will lead the response for concerns that either involve a student living within a Residential Life community or that occurred within a Residential Life community.

Title IX and Sexual Misconduct

Title IX of the Education Amendments of 1972 is a comprehensive federal law that prohibits discrimination based on the gender of students and employees of educational institutions that receive federal financial assistance.

In accordance with Title IX and other applicable law, Louisiana State University (“LSU”) is committed to providing a learning, working, and living environment that promotes integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex and sexual misconduct which includes sex discrimination, sexual harassment, dating violence, domestic violence, sexual assault, stalking and retaliation. LSU prohibits sex discrimination and sexual misconduct. This policy applies to all persons without regard to sexual orientation, gender identity and/or gender expression.
Sex discrimination and sexual misconduct violate an individual's fundamental rights and personal dignity. LSU considers sex discrimination and sexual misconduct in all of its forms to be serious offenses. This policy has been developed to reaffirm these principles and to provide recourse for individuals whose rights have been violated. This policy establishes a mechanism for determining when rights have been violated in employment, student life, campus support services, LSU programs and/or an academic environment.

Visit [lsu.edu/studentaffairs](http://lsu.edu/studentaffairs) for more information about reporting a violation.

**Student Privacy Rights**

The purpose of Student Privacy Rights are to inform all concerned of the rights and prerogatives of students under the Family Educational Rights and Privacy Act of 1974 (FERPA) and to outline procedures for those students who wish to inspect, review, amend, or challenge disclosure of their education records.

The Family Educational Rights and Privacy Act of 1974 (also known as the Buckley Amendment) is a Federal law that helps protect the privacy of student education records. The Act provides students the right to inspect and review education records, the right to seek to amend those records, and the right to limit disclosure of information from the records. The intent of the legislation is to protect the rights of students and to ensure the privacy and accuracy of education records. The Act applies to all institutions that are recipients of federal aid administered by the Secretary of Education.

Your FERPA rights begin when you have enrolled; that is, when you have scheduled classes, paid fees and classes have begun.

FERPA governs and protects students' rights to their individual educational records. The primary rights protected under FERPA are as follows.

1. **Students' rights to review and inspect their educational records within 45 days from the day the University receives a request for access.**

2. **Students' rights to have their educational records amended or corrected.**

   Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the director of the appropriate office, clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading.

   If the university decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing will be provided to the student when notified of a hearing.

3. **Students' rights to control disclosure of certain portions of their educational records.**

   One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an educational record to fulfill their professional responsibility. All students’ educational records are open to the president, the vice presidents, the academic deans and directors, and the dean of students. In addition, the following individuals are also Louisiana State University officials:

   - A person employed by the University in an administrative, supervisory, academic, research or support staff position, including health and medical staff and teaching assistants and student assistants.
   - A person appointed by the Board of Supervisors.
   - A person employed by or under contract to the University to perform a special task, such as a University attorney.
   - A person employed by the LSU Police Department.
   - A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill their professional responsibility.

4. **Students' right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.**

For more information regarding student rights please visit [https://www.lsu.edu/registrar/privacy-guidelines/index.php](https://www.lsu.edu/registrar/privacy-guidelines/index.php).
Accountability Process
The goal of the Department of Residential Life’s conduct process is:

- To provide an accountability process that holds students accountable for unacceptable behaviors that occur within an on-campus residential community or that involve on-campus residents
- To protect the rights of all members of the university community
- To educate students regarding the responsibilities inherent in an on-campus residential community, including abiding by policies that are established for the safety and welfare of the community

Documented is the term used by most people in the university community when they are referring to the process that occurs when a staff member or resident witnesses and reports an alleged violation of university/housing policies, as outlined in the LSU Code of Student Conduct, housing contract, and this handbook. In some instances law enforcement may become involved.

In most cases when a student is observed potentially violating a university policy, a Residential Life staff member will identify themselves, communicate which policy may have been violated, and request identification from the student. If you find yourself in such a position, you should remember that the conduct system is part of the total educational process and is protective of your rights. Always cooperate, be honest, and produce your LSU ID immediately upon request.

When writing an incident report, the Residential Life staff member will include every detail that was observed before, during, and after the incident. The incident report is reviewed by staff members and makes the best educational decision as to the next course of action. If it is decided that the incident warrants follow-up, a meeting will be scheduled with you by appropriate university staff. At this meeting, you will be allowed to present your side of the story. You will also be allowed to review the incident report when appropriate.

LSU, at its sole option, may terminate the housing contract for violation of the terms and conditions of the Code of Student Conduct as well as all rules and policies of the Department of Residential Life at LSU. A copy of the LSU Housing Application and Contract may be obtained online at lsu.edu/housing and is also provided in Appendix A of this handbook.

More information regarding the Student Conduct Process (RLOP 69) may be found in the policies section of the LSU Residential Life website, lsu.edu/housing. Students with questions about the conduct or contractual process should contact the Residential Life Student Conduct Office, or their RLC.

Live On Expectation
All LSU first-year, full-time students are required to live on campus. LSU is committed to providing students with meaningful living-learning experiences as a means of supporting the quality of undergraduate programs and the first-year experience. Guaranteed on-campus housing for first-year students not only provides incredible academic benefits (increased GPA, retention and graduation rates), but it also offers an immediate opportunity for Tigers to make new friends and build a community, which eases the transition between high school and college.

Contract Appeals
The Department of Residential Life Academic Year Contract states, “The terms of this contract is the academic year.” Exceptions may be made for those students who have a significant and/or documented medical reason. All requests for living off campus for medical or other reasons will be reviewed on a case-by-case basis. Information regarding LSU Residential Life Contract Appeals can be found in RLOP 42 at https://www.lsu.edu/reslife/current/conduct/index.php.

Return to Housing from Medical or Behavioral Treatment or Care
In the event that a student is transported, voluntarily or involuntarily, to a medical or behavioral health treatment center, the student will be required to provide information to Residential Life in order to return to their on-campus housing assignment.

When a resident’s behavior endangers the life of a person, threatens the functionality of a safe and comfortable community, or a resident has a history of conduct violations, the Department of Residential Life may review the resident’s contract for housing. During this process, a decision to terminate the housing contract, relocate to another on-campus location, or allow the resident to remain in their current location is made.
Room Change Process
If for any reason you are required or allowed to move to a different residence hall room, you will be charged or refunded the difference between the two rates (prorated for the remainder of the term). If for any reason you are required or allowed to move to an Edward Gay apartment as the renting student, the remaining prorated portion of your residence hall rent will be credited toward your apartment rent. If for any reason you are required or allowed to move to an Edward Gay apartment but not as the renting student, charges related to the contract fee, advance rent and rent shall be as outlined in the housing contract.

When moving to a different residential community, you will first need to speak with your RA or your RLC/GRD to explain the situation and look for solutions. If moving to a different residential community is deemed the best solution, you will then need to speak to the Assignments office in Grace King hall to complete the necessary paperwork.

All residential community moves will occur Friday-Sunday. You will check in to your new community no sooner than 7pm on Friday and are expected to be completely moved out of your old space by 7pm on Sunday. When moving, all residents shall provide the necessary paperwork to verify their move, and are expected to check out of their old space with a Residential Life staff member and return their old key. Failure to do so may result in charges to your fee bill.

Residence hall rental rates are based on your room being occupied at its normal capacity. During fall and spring semesters, if your room becomes occupied at less than normal capacity, you may be contacted by Residential Life to exercise one of the following choices:

• Pay the additional rent for a private room.
• Request assignment to another room or to pull in a desired roommate into the unoccupied space.
• Identify that you are willing to accept a roommate at any time as directed by Residential Life, which includes leaving the open space available for move-in at all times.

For more information regarding the LSU Housing Contract visit: https://www.lsu.edu/reslife/files/lsuhousingcontract.pdf

• To conduct end of the semester room inspections.
• To conduct room inspection prior to a resident moving out.

Residential Life staff members will lock any unsecured doors found during the room/apartment entry process.

Emergency Communication
In the event of an emergency, LSU’s Emergency Operations Center (EOC) will be activated. The university has multiple ways of communicating emergency situations to students, faculty, and staff:

**EMERGENCY TEXT MESSAGING SYSTEM**
If you have not already done so, sign up for the university’s emergency text messaging system by visiting lsu.edu/eoc.

Personal Safety
What can you do to protect yourself?

• Avoid walking alone at night unless absolutely necessary. When walking, keep to well lit, commonly traveled routes.

• Familiarize yourself with campus. Avoid taking shortcuts through dark, isolated areas, especially at night. Walk purposefully, know where you are going, and project a confident image.

• If you feel threatened, contact police via the LSU Shield App, locate an emergency phone, or enter a store or place of business even if you have just left it.

• Have your room and car keys ready; carry them in your pockets or have them easily accessible.

• Lock your doors and windows when you are not in your room or are sleeping.

• Don't feel safe walking at night? Call Campus Transit at 225-578-5555. If you are coming in late to your residence and do not want to park in the remote lots and walk by yourself, stop by the Public Safety Building on South Stadium Drive and come inside. A driver will follow you to your lot and pick you up and bring you to your residence hall or apartment. You can also call the LSU Police for an escort after 3:00 a.m.

LSU Shield App
The LSU Shield App functions as a portable emergency button you can carry with you at all times, and is free to download on all Android and iOS operating systems. Downloading the Shield App allows you to instantly place emergency calls to local police, fire, and EMS, and also includes the ability to submit a Safety Beacon, which pinpoints your location to LSUPD and indicates you are experiencing an emergency. Non-emergency reports can also be filed through the app if you observe concerning behavior on campus. Finally, the app provides a helpful list of what you should do if you are experiencing various emergency situations.

Severe Weather Procedures
In case of severe thunderstorms or tornados, you should immediately move to the interior of your residence hall or apartment, away from windows. In the event of a hurricane, the university will provide instructions via the LSU website, emergency text messaging system, and Residential Life staff. In all severe weather situations, be sure to stay in contact with and follow the instructions of Residential Life staff members.

During emergencies, such as severe weather, the Department of Residential Life works with the Emergency Operations Center (EOC) to determine evacuation procedures. Once the EOC has been enacted, all members of the LSU on-campus community are required to abide by EOC directives. Prior to an emergency, such as severe weather, you should determine your personal evacuation plan.

Community Safety
What can you do to protect our residence hall and apartment communities?

• If you see suspicious persons in or around your residence hall or apartment or feel threatened at any time, contact the LSU Police Department immediately and report it to the front desk of your residence hall or apartment.

• Never prop open a door.

• Never let someone you do not know into a building.

• Observe all policies and procedures.

• Report any security concerns to a Residential Life staff member.
# EVACUATION PROCEDURES

The following locations will be used in the case of an evacuation, such as a fire alarm. Please find the nearest exit and stand at your community’s assigned meeting area and wait for further instructions. If weather or other circumstances are not favorable for assembly outside, residents and staff will go to the indoor location listed. When a fire alarm or evacuation alarm is activated, you are required to immediately evacuate the building.

Cable Television Services
Standard digital cable service, provided by Cox Communications, is included in the room rates of all Residential Life communities. Standard service includes 75 Cox programming channels and six LSU channels. The standard service will be activated before you arrive. You will be responsible for providing the cable cord to connecting the incoming line to your television set. A converter must be provided by the resident if their television is not digital compatible.

Cox expanded service cable is available at an additional cost. To order Cox expanded service cable or to report any cable-related problems, call 225-615-2005, or visit the Cox representatives stationed on the first floor of the LSU Student Union.

Dining Services
All first and second-year students living in on-campus residence halls are required to participate in one of the university meal plans offered by LSU Dining. LSU Dining’s flexible meal plans offer a combination of meals which are served in the all-you-care-to-eat dining halls and Paw Points which can be used like dining dollars at any retail LSU Dining location around campus. There are two dining halls on campus, one located on the east side of campus and one located on the west side of campus. For more information regarding meal plans, visit lsudining.com or call LSU Dining at 225-578-4300.

Distribution of Advertisement
LSU departments and registered student organizations may present items to be posted within on-campus communities by taking the items to 210 Grace King Hall for approval and distribution. The name of the department or student organization must be on the advertisement to be posted. Advertisements that are meant to solicit business will not be approved for posting within on-campus communities. More information regarding the advertising policy (RLOP 68) can be found in the Policies section of the LSU Residential Life website, www.lsu.edu/housing.

Facility Reservation
Residents may reserve space within or near a residential community by completing the process outlined in RLOP 67, found in the Policies section of the LSU Residential Life website, lsu.edu/housing. Use of Residential Life facilities is limited to residents and the Department of Residential Life.

For problems related to computer labs/e-mail stations in Residential Life areas or any personal computer, contact the Residential Life Computer IT Support Office at 225-578-0560 or lsu.edu/reslifetech.
Front Desk
A front desk services all residence halls and apartment communities, although some may be housed in a building other than your own. Front desk locations are noted in the “Important Numbers” section at the end of this publication. Your community’s front desk can assist you in placing maintenance requests, issuing a temporary key to your room or apartment, and locating other on-campus resources.

Most desks are staffed 24-hours a day. In the event that a desk assistant or resident assistant is not available to help you immediately, a phone number will be posted at the desk for assistance, or call LSU PD for emergencies.

Heating & Cooling
Most residence halls’ heating and cooling equipment operates on a system of heated and chilled water. Because the system cannot be switched back and forth quickly, LSU Facility Services evaluates the weather patterns to determine when to switch on and off heating and cooling systems. Residents who have university installed window units are required to keep the air-conditioner plugged into the proper electrical outlet. Personal and/or privately owned air-conditioning units are not allowed in the residence halls and apartments.

Insurance—Property
LSU assumes no responsibility for any loss or damage to your personal property. If your belongings at school are not covered by a parent’s homeowner’s policy, we encourage you to visit with your current insurance agent about options, as well as review student-specific insurance vendors such as the independent insurance provider National Student Services, Inc to make the best choice for your family.

Laundry Facilities
You are responsible for your own laundry items and for following the proper procedures in washing and drying. The university does not offer a linen service. It is your responsibility to learn the proper operation and care of the items by reading the appliance guidelines.

Laundry in the Residence Halls
Washers and dryers can be found in residence hall laundry rooms. All laundry facilities are equipped to accept either coins or TigerCash. You can check the availability and status of washers and dryers by logging on to www.laundryalert.com and entering the password LSU3733. You can also have an e-mail sent telling you when the laundry cycle is complete or when a machine becomes available.

Adding and Tracking Funds:
Tracking your funds for laundry could be done online at https://tcard.lsu.edu. Here you would be able to add funds via credit/debit card and/or check and manage your account.

Laundry in the Apartments
A washer and dryer are included in each apartment.

Mail Delivery
For the most up to date information on mailing procedures, refer to the University Auxiliary Services website at www.uas.lsu.edu.

All on-campus residents are assigned an LSU Box at the mail center in the LSU Student Union, and the charge is posted on the student fee bill. Students receive their mailbox number and mailing address via email.

This box is able to receive both regular mail and packages. The student’s name and mailbox number must be on all mail and packages. A notification email will be sent to alert for both mail and packages. Bring a picture ID to claim packages.

How to address mail and packages to an LSU Box:
Student’s Name
101 LSU Student Union Bldg.
LSU Box # _ _ _ _
Baton Rouge, LA 70803

Residential communities will accept deliveries (from local businesses only) of flowers, cut fruit bouquets, or cookie bouquets. For the safety and security of residents, the residential front desk staff is unable to verify, identify, or disseminate the contact information (including phone numbers) of specific residents. If the delivery agency requires a signature or direct contact with the receiving resident, the aforementioned student’s phone number must have already been provided with the order by the ordering party. After receiving delivery, the front desk worker will notify the resident through their LSU e-mail that they have a package to pick up. The Department of Residential Life is not responsible for lost packages.

Use the following address format when receiving perishables (ONLY those mentioned above):
Student’s name
Room number and building name
Louisiana State University
Baton Rouge, LA 70803

All students living on campus are charged a mailbox fee each semester. This charge is incorporated into the residence hall rent charge on the fee bill. This applies to all the residence halls, residential colleges, the Laville Honors House, and apartment communities (with the exception of Edward Gay Apartments). Students who officially resign from the University or move off campus before the 14th day of class can get their mailbox fee refunded. After the 14th day of class there is no refund of the mailbox fee.
Maintenance
The Department of Residential Life staff provides safety equipment inspections, general maintenance (painting, plumbing, electrical maintenance, and carpentry), and custodial services. Residential Life custodians clean all public areas of residence halls and East/West Campus Apartments, including lobbies, hall and suite bathrooms, corridors, study rooms, kitchens, and laundry rooms. However, you are responsible for cleaning your own room. The Nicholson Gateway Apartments and Edward Gay Apartments do not receive custodial services inside apartments; you are responsible for cleaning inside your apartment.

If you have maintenance needs or damages, report them to the front desk or online through your housing portal. The housing portal may be found through your MyLSU account >Student Services >On-Campus Housing. If the problem is not resolved, the RC should be contacted. Maintenance personnel are on duty from 7:30 a.m. – 4:00 p.m. weekdays. If emergency repair work is needed after 4:00 p.m. on weekdays or anytime on weekends, consult the front desk.

Pest Management
The Department of Residential Life manages a proactive program to eliminate pests (roaches, ants, spiders, etc.). All residence halls and apartments are treated quarterly. Additionally, there are perimeter treatments designed to eliminate unwanted pests from our residence halls and apartments. However, poor housekeeping in your room can be an attraction for a pest looking for a new home or for food. A pile of clothes and food crumbs on the floor offers a home and a meal for an unwanted guest. If you discover a pest in your room, notify the front desk immediately.

Telephones
Students desiring phone service in their room can request phone jack activation via myLSU, and charges will go on the student account.

Nicholson Gateway Apartments, Cedar Hall and Spruce Hall do not have phone lines. Residents desiring phone service must provide a VOIP device and connect via the room’s data port. Contact the Residential Life IT Help Desk for assistance at 225-578-0560 or lsu.edu/reslifetech.

Parking
Selection of your parking tag occurs when you register for classes. You are responsible for following all university parking regulations. A copy of these regulations may be obtained from Parking & Transportation Services, located in the Public Safety Building or by calling 225-578-5000.

Vending / Ice
For your convenience, there are vending and ice machines located in most residence halls. Please see your RA for location.

Vending machines are also located in the ECA and WCA activity centers and Nicholson Gateway lobbies. Ice machines are not provided in the apartment communities.

1. **ACCEPTANCE OF CONTRACT:** Provide your signature, age, and date in the designated blanks at the end of this contract. If you are less than 18 years of age, your parent or guardian must also sign and date the form. By signing this contract, you are agreeing to the terms and conditions set forth below.

2. **DEFINITION OF TERMS:**
   a. This contract governs all residence halls, East/West Campus Apartments and Nicholson Gateway Apartments.
   b. The term “residence halls,” “building” or “room” applies to East/West Campus Apartments and Nicholson Gateway Apartments as well.
   c. The term “Academic Year” is based on the LSU regular academic calendar published in the LSU General Catalog.

3. **CONTRACT PERIOD AND ELIGIBILITY**
   a. You must be a full-time LSU student or participant in an LSU approved program to live in an LSU residence hall for both fall and spring semesters. Dropping to part-time status after a semester starts, however, shall not terminate this contract. If space is available, Residential Life at its sole discretion may permit a part-time LSU student to live in a residence hall.
   b. **Length of Contract:**
      i. Students living in residence halls, except East and West Campus Apartments and Nicholson Gateway Apartments, have a 9 month contract. Residence halls will close for the break between the fall and spring semesters when classes are not in session. LSU does not guarantee temporary or interim housing during breaks between semesters for students in residence halls closed during these periods.
      ii. Students living in East Campus Apartments have a 9 month contract and may remain between the fall and spring semesters when classes are not in session. East Campus Apartments will close 24 hours after spring finals conclude; graduating students requiring housing until Commencement will be required to relocate. Students requiring summer school housing will be required to relocate out of East Campus Apartments.
      iii. Students living in West Campus Apartments have a 9 month contract and may remain between the fall and spring semesters when classes are not in session. Students in West Campus Apartments registered for summer classes may extend their contract to 12 months, LSU does not guarantee summer placement in the student’s same spring or fall apartment.
      iv. Students living in Nicholson Gateway Apartments have the option of a 10 month or 12 month contract. A 12 month contract is available at the time of contract or student may opt-in at a later date. Registration for summer classes is not required to occupy a Nicholson Gateway Apartment during summer months; however, student must have a future fall reservation in Nicholson Gateway Apartments to be eligible for housing during summer months. Students wishing to live in Nicholson Gateway Apartments for summer only must be registered for summer school classes and have a future fall booking in a residence hall or East/West Campus Apartments.
   c. **Occupy Dates:**
      i. Residence halls typically open in August the week before classes start and close on the last day of finals for each semester.
      ii. East and West Campus Apartments typically open the week before classes start and close the last day of spring finals. Exception: Special condition apartments in WCA that have a later move-in date than the remainder of WCA. Students in special condition apartments are notified of restriction at the time room assignment is made.
      iii. Nicholson Gateway Apartments open the week before classes and close on May 31. Dates of summer occupancy are June 1 to July 31. Any student not enrolled in spring classes must vacate by the last day of finals for fall semester. Graduating seniors must vacate no later than the next business day after fall graduation.
   d. If your academic program operates on a different calendar from that of the regular Baton Rouge campus (such as programs offered through the Paul M. Hebert Law Center), be aware that East Campus Apartments and the residence halls (excluding West Campus and Nicholson Gateway Apartments) may be closed during some periods in which your academic program operates.
   e. Moving out of the residence halls before the end of spring semester is a violation of this contract, and you shall pay charges and penalties as outlined in section 7 below.
4. ASSIGNMENTS
   a. Assignment and Sublease: This contract is for space within the residence hall system and not for a specific building or room. Assignment and/or subleasing is prohibited. No provision of this contract shall be transferred or assigned. LSU reserves the right to reassign you to a different room or building.
   b. Room Changes: If for any reason you are required or allowed to move to a different residence hall room, you will be charged or refunded the difference between the two rates (prorated for the remainder of the term). If for any reason you are required or allowed to move to an Edward Gay apartment as the renting student, the remaining prorated portion of your residence hall rent will be credited toward your apartment rent. If for any reason you are required or allowed to move to an Edward Gay apartment but not as the renting student, charges related to the contract fee, advance rent and rent shall be as outlined in paragraphs 6 and 7 below.
   c. Partial Occupancy: Residence hall rental rates are based on your room being occupied at its normal capacity. During fall and spring semesters, if your room becomes occupied at less than normal capacity, you may be contacted by Residential Life to exercise one of the following choices:
      i. Pay the additional rent for a private room.
      ii. Request assignment to another room or to pull in a desired roommate into the unoccupied space.
      iii. Identify that you are willing to accept a roommate at any time as directed by Residential Life, which includes leaving the open space available for move-in at all times.
   d. Ineligible Occupants: Rooms may only be occupied by residents assigned by Residential Life. If you allow anyone else to move into or stay in your apartment, suite, or room, you may be removed from campus housing. Overnight guests are permitted in residence halls but are subject to the conditions and approval process outlined in the Living on Campus Handbook.
   e. Online Renewal: You may be given the opportunity to renew this contract via the Internet to live in the residence halls, East or West Campus Apartments or Nicholson Gateway Apartments. If you choose to renew online, you will be bound by and subject to all the terms and conditions of this contract and any additions, deletions, or modifications contained in the online version that you accept, authorize, or agree to electronically in the manner prescribed online in lieu of a handwritten signature. A non-refundable $250 advance rent payment is required for renewals.
   f. Housing Cancellation/Withdrawal: You must submit any housing cancellation at LSU.edu/cancelhousing. Charges for cancellation/withdrawal and any refund shall be determined as outlined in sections 6 and 7 below.
   g. Room assignments and inspections: LSU reserves all rights in connection with assignment of rooms. LSU shall have the right to inspect rooms.

5. RENTAL RATES:
   a. Rental rates will be as established and published by the Department of Residential Life both on its website and at the Department of Residential Life, located in 99 Grace King Hall, Baton Rouge, Louisiana 70803.
   b. Payment shall be made or deferred no later than the first day of class for the fall, spring and summer semesters, respectively.
   c. All utilities (electricity, water, sewer and waste disposal), basic cable service and both wired and wireless high-speed internet service are included in all rooms. Additional cable services are obtained by contacting Cox Communications.
   d. If you do not select a space on campus by July 1, you will be responsible for 100 percent of the lowest two-person priced room offered. Upon assignment to a space, your rent will be changed to the space assigned.
   e. Rental rates are subject to change at the beginning of any academic term.

6. CONTRACT PROCESSING FEE/ADVANCE RENT:
   a. New contracts: A $75.00 non-refundable contract processing fee shall be paid to the university when a new contract is submitted.
   b. Renewed contracts: A $250.00 advance rent payment shall be paid to the university when a contract is renewed. Cancellation at any time after renewal forfeits entire advance rent payment. The advanced rent payment will be applied to the rent obligation as accrued.

7. REFUNDS/FEES/PENALTIES/WITHDRAWALS/CANCELLATIONS: If you cancel your housing assignment or withdraw your housing contract, you will be charged or refunded rent as follows:
   a. Cancellations received after June 15 but before July 1: a $250 cancellation fee will be applied.
   b. Cancellations received after June 30 but before fall classes begin: a $500 rent penalty will be applied.
   c. Cancellations received on or after classes begin for the fall semester but during the fall semester:
      i. If you resign from LSU, you are responsible for 25 percent of the remaining rent for your room for the fall semester and will be charged a rent penalty for the spring semester (75 percent of your assigned rent). After the 14th class day of the spring semester, if you have not registered for classes at LSU, the rent penalty for the spring semester will be reversed.
      ii. If you move out without resigning from LSU and are exempted from the First-year Housing Expectation, you are responsible for 75 percent of your assigned rent and will be charged the rent penalty for the spring
8. **CONDUCT:**

a. You shall abide by the terms and conditions of the *Code of Student Conduct* and all rules and policies of the Department of Residential Life and LSU.

b. **Termination of Contract:** LSU, at its sole option, may terminate this contract for violation of the terms and conditions of this contract or for any violation of LSU policies, regulations, *Living on Campus Handbook*, the law or the *Code of Student Conduct*. Failure to strictly or promptly enforce any of the terms and conditions of this contract by LSU shall not operate as a waiver of any of LSU’s rights as provided herein. You must advise LSU Residential Life immediately if you are arrested for, convicted of, or plead guilty to a crime other than a minor traffic offense or if any such criminal action is pending or expected to be brought against you. LSU, at its sole option, may terminate this contract if you complete, withdraw, or are removed from the approved LSU program which enables you to live in LSU housing.

c. **Safety Hazard:** LSU, at its sole discretion, may terminate this contract without prior notice if it reasonably believes that your continued occupancy presents a safety hazard to yourself or others or that it is detrimental or disruptive to others.

d. **Tobacco Free:** The use and possession of tobacco and tobacco products is prohibited on campus. All halls and apartments are tobacco free. Use of any tobacco product or electronic cigarette is not permitted inside any residence hall and apartment rooms, lobbies, hallways, bathrooms, or any other area inside or around the building.

e. **Prohibited Items:** Pets, guns (including but not limited to firearms, BB guns, pellet guns, air pistols, and paint guns), ammunition (including spent shell casings), explosives, and illegal drugs are not allowed in LSU residence halls and/or...
apartments under any circumstances. Any violation of this provision may result in immediate termination of this contract, and you shall not be entitled to any refund for rent or advance rent or contract fee.

f. **Alcoholic beverages:** Possession and consumption of alcoholic beverages in LSU residence halls shall be in accordance with Residential Life, LSU, state, and federal regulations, statutes, and policies.

9. **LIABILITY FOR DAMAGES OR LOSS:** You are liable and shall pay for any damage you or your guests cause to university property. You may also be held liable for and shall pay a share of damages to your residence hall. You are responsible for securing your personal property and your room at all times. LSU assumes no responsibility and shall not be liable for any loss of or damage to your personal property and you agree to hold LSU harmless for any such loss or damage.

10. **EQUIPMENT MALFUNCTIONS:** In the event of a malfunction of mechanical equipment in your residence hall, university personnel shall make every effort to restore operations quickly. Refunds of rent are not made for suspension of services caused by equipment malfunctions. If suspension of service is prolonged, Residential Life at its sole option reserves the right to terminate this contract and refund the remaining part of the semester rent. If a particular malfunction continues for more than 10 days, you have the option to request to be moved to another room and you will be reassigned, provided space is available. In that case, if you exercise the option to request assignment to another residence hall, you shall be charged or refunded any difference in rates. Failure of facilities systems does not constitute automatic termination of contract.

11. **VACATING PREMISES:**
   a. Upon expiration or termination of this contract, you agree to vacate the premises, as instructed, upon notice of same, removing all personal items and refuse and leaving the premises clean and in good condition, normal wear accepted.
   b. If you fail to follow the proper procedure to check out of your room, you will be assessed a service charge of $50. In addition, if you fail to check out by the date and time announced for the closing of your hall or the end of your occupancy period, you will be assessed an additional service charge of $25 for each hour or portion thereof from that announced time until the time you complete a proper checkout. This is in addition to any other damage charges or service fees for which you may be liable. Any items left in your room after checkout will be disposed of and will subject you to a $300 item removal and disposal charge.
