

## Systematics, Ecology, and Evolution Seminar Series – Spring 2021

All seminars will start at 1:00pm on Zoom. A link will be distributed with the announcement for each seminar.

Date	Seminar	Host
1/11	<b>Max Lambert</b> , UC-Berkeley, "(Mal)adaptation, Social Inequality, and the Complexity of Conservation in Cities"	Nick Mason
1/18	MLK Day	
1/25	<b>Ana Longo</b> , Univ. of Florida, "Evolutionary Ecology of Chytrid Infections in Amphibians"	Elder and Harms Labs
2/1	<b>Andrea Glassmire</b> , LSU Dept. of Biological Sciences, "Phytochemical Diversity and the Ecology of Plant-Insect Interactions"	Jim Cronin
2/8	<b>Kjetil Voje</b> , Univ. of Oslo, "Evolution and Evolvability in the Fossil Record"	Arthur Porto
2/15	Mardi Gras	
2/22	<b>Brandon Kilbourne</b> , Museum für Naturkunde Berlin, "Differing Limb Functions and Their Potential Influence Upon the Diversification of the Mustelid Hindlimb Skeleton"	Mike Hellberg
3/1	<b>Subir Shakya</b> , LSU Museum of Natural Science, "Genomic and Functional Investigation of Color Polymorphisms in Herons (Ardeidae)"	Nick Mason
3/8	<b>Emilie Snell-Rood</b> , Univ. of Minnesota, "Nutritional Constraints on Cognitive and Life History Evolution: From Butterfly Brains to Salty Roadsides"	Biograds and Morgan Kelly
3/15	NO SEE SEMINAR	
3/22	<b>Gabriela Ayad</b> and <b>Roberta Canton</b> , BIOL 7921, "Fallout from Bombing Corals and Their Microbiomes" & "Morphology of Structural Blue Plumage and its Genetic Basis in <i>Lepidothrix</i> "	Mike Hellberg and Brant Faircloth
3/29	<b>Mariana Braga</b> , Washington Univ. in St. Louis, "Reconstructing Ancestral Ecological Networks"	Spenser Babb-Biernacki and Jake Esselstyn
4/5	<b>Rick Prum</b> , Yale Univ. & Phi Beta Kappa, "The Evolution of Beauty"	Kyle Harms
4/12	<b>Jamie Phelps</b> and <b>Ben Toups</b> , BIOL 7921, "Why Does the Bordered Patch Butterfly ( <i>Chlosyne lacinia</i> ) Exhibit Pupal Color Variation?" & "Disentangling the Sources of Striking and Unexpected Gene Tree Variation"	Kyle Harms and Jeremy Brown
4/19	<b>Doug Emlen</b> , Univ. of Montana, "Extravagant Weapons: the Story Behind Arms Races in Animals and People"	Kyle Harms
4/26	Finals
