THE CONSTITUTION
OF THE STUDENT GOVERNMENT
OF LOUISIANA STATE UNIVERSITY

WE THE STUDENTS of Louisiana State University and Agricultural and Mechanical College at Baton Rouge, Louisiana, in order to lead and cultivate opportunities for the fullest development of the individual, advocate for our peers as a representative governing body, and serve a culture of tradition and pride for ourselves and our posterity, do ordain and establish this Constitution for the Student Government of Louisiana State University.

ARTICLE I.

SECTION 1. All legislative Powers herein granted shall be vested in the Student Senate of Louisiana State University.

SECTION 2. 1 The Senate shall be composed of at least two Senators per Academic Area, regardless of enrollment numbers, chosen each Fall and Spring by the Students of their respective Academic Areas; and each Senator shall have one vote. Students are defined as such by the regulations of Louisiana State University and are members of the Student Body entitled to representation of their interests through the Student Government.

2 The Senators of each Academic Area shall be divided as equally as may be into two classes. The seats of the Senators of the first class shall be vacated at the expiration of the Fall Semester and of the second class at the expiration of the Spring Semester. Each Senator shall serve a term of one year. In the event of an odd number of Senators in an Academic Area, there shall be one more seat available in the Spring Election than the Fall Election. If vacancies happen by resignation or otherwise, the College Council delegation of the Academic Area to which the vacant seat belongs shall, with the advice and consent of a majority of the Senate present and voting, make temporary appointments until the next Election, which shall then fill such vacancies. The Senate shall provide, by enactment, for cases in which the College Council delegation is unable or unwilling to make such appointments. Any Senator elected in an Election following a temporary appointment shall occupy their seat until the expiration of the original term.

3 By the twenty-fifth class day of each Fall Semester, the number of Senators shall be adjusted so that each Academic Area shall have an additional Senator for every five hundred students enrolled without rounding.

4 Apportionment shall be based on the official University full-time and part-time enrollment figures for that particular Fall Semester. This apportionment shall be performed by the Speaker of the Senate and must be approved by a vote of two thirds of the Senate present and voting. This apportionment shall be effective for the Election held that Fall Semester.

5 Reapportionment or the discontinuation of any Academic Area shall not affect the term of office of any duly elected and installed Senator.
Failure to continue to be enrolled in the Academic Area represented by a Senator shall result in the termination of office at the end of the semester. However, no such termination shall result if such failure results from the admission of a Senator from the University Center for Freshman Year or the University Center for Advising and Counseling to another Academic Area.

The Speaker of the Senate shall preside over the Senate and shall be required to vote when votes on business be equally divided. The Senate shall elect their Speaker from among themselves by a simple majority of those present and voting. The Speaker's term shall last for one academic year, concurrent with the term of the class of Senators elected in the Spring Semester, subsequent to election.

The Senate shall also choose among themselves by a majority of those present and voting a Speaker pro tempore, to serve as Speaker in the absence of the Speaker.

The Senate shall have the sole power to try all impeachments of Student Government officials. When sitting for that purpose, they shall be on oath or affirmation. The Chief Justice or the Vice President in the instance of the Chief Justice as the officer under impeachment shall preside, and no person shall be convicted without the concurrence of two thirds of the Senators present and voting.

Judgment in cases of impeachment shall not extend further than removal from office and disqualification to hold and enjoy any office of honor, trust, or profit under the Student Government.

SECTION 3. 1 The times, places, and manner of holding Elections for Senators shall be prescribed by the enactments of the Senate and facilitated by the Election Commission.

2 The Senate shall assemble at least once each Fall and Spring Semester.

SECTION 4. 1A majority of Senators shall constitute a quorum to do business, but a smaller number may adjourn from week to week. The Senate may be authorized to compel the attendance of absent Senators, in such manner, and under such penalties as the body may provide.

2The Senate may determine the rules of its proceedings, punish its Senators for disorderly behavior, and, with the concurrence of two thirds present and voting, expel a Senator.

3The Senate shall keep a record of its proceedings, and from time to time publish the same, excepting matters decided by silent ballot or in executive session; and the Ayes and Nays of the Senators on any question shall be entered on the record.

SECTION 5. 1No legislative officer shall, during the time for which they serve, be elected or appointed to an executive or judicial office under the authority of Student Government.

2No person holding any executive or judicial office under the authority of Student Government shall be a legislative officer during their continuance in office.

SECTION 6. 1Every Bill which shall have passed the Senate, shall, before it become enacted, be presented to the Student Body President. If the President approves, they shall sign it, but if not, the President shall return it, with their objections to the Senate, who shall enter the objections at large on their record and proceed to reconsider it. If after such reconsideration two thirds of the Senate present and voting shall
agree to pass the Bill, it shall be enacted. But in all such cases, the votes of the Senate shall be determined by Ayes and Nays, and the names of the persons voting for and against the Bill shall be entered on the record respectively. If any Bill shall not be returned by the President within four class days after it shall have been presented to them, the same shall be enacted, in like manner as if they had signed it.

2Every Order, Resolution, or Vote on which the Senate concurs shall be presented to the President; and before the same shall take effect, shall be approved by them, or being disapproved by them, shall be repassed by two thirds of the Senate present and voting according to the rules and limitations prescribed in the case of a Bill.

SECTION 7. 4The Senate shall have power to approve judicial and executive appointments by two thirds present and voting;
2To approve legislative appointments, including officers of the Senate, by majority present and voting;
3To make appropriations and approve the Student Government Budget by majority present and voting;
4To express opinion on behalf of the Student Body in all areas of student life by majority present and voting;
5To recommend action on behalf of the Student Body in all areas of student life by majority present and voting;

7To create special committees of Student Government by majority present and voting; and

3In case of the removal of the President from office or of their death or resignation, the Vice President shall become President.
4Whenever there is a vacancy in the office of the Vice President, the President shall nominate a Vice President who shall take office upon confirmation by two thirds of the Senate present and voting.
5In case of the removal of both the President and Vice President from office or of their death or resignation, the Speaker of the Senate shall become President, and the Senate shall proceed to elect a new Speaker. The Senate shall, by standing enactment, establish who shall become President in the case of a simultaneous vacancy of the offices of President, Vice President, and Speaker.
Whenever the President transmits to the Speaker of the Senate their written declaration that they are unable to discharge the powers and duties of their office, and until the President transmits to the Speaker a written declaration to the contrary, such powers and duties shall be discharged by the Vice President as Acting President.

Whenever the Vice President and a majority of either the principal officers of the executive departments or of such other body as the Senate may by enactment provide, transmit to the Speaker of the Senate their written declaration that the President is unable to discharge the powers and duties of their office, the Vice President shall immediately assume the powers and duties of the office as Acting President. Thereafter, when the President transmits to the Speaker of the Senate their written declaration that no inability exists, they shall resume the powers and duties of office unless the Vice President and a majority of either the principal officers of the executive department or of such other body as the Senate may by enactment provide, transmit within four class days to the Speaker of the Senate their written declaration that the President is unable to discharge the powers and duties of their office. Thereupon the Senate shall decide the issue, assembling within forty-eight hours for that purpose. If the Senate determines by two thirds present and voting that the President is unable to discharge the powers and duties of their office, the Vice President shall continue to discharge the same as Acting President; otherwise, the President shall resume the powers and duties of their office.

Before they enter on the execution of their office, the President shall take the following oath or affirmation: “I do solemnly swear (or affirm) that I will faithfully execute the Office of President of the Louisiana State University Student Government, and will to the best of my ability, preserve, protect, and defend the interests of the students of Louisiana State University.”

Before they enter on the execution of their office, the Vice President shall take the following oath or affirmation: “I do solemnly swear (or affirm) that I will faithfully execute the Office of Vice President of the Louisiana State University Student Government, and will to the best of my ability, preserve, protect, and defend the interests of the students of Louisiana State University.”

SECTION 2. The President shall be the Chief Executive Officer of the Student Government.

Such enumerated departments and positions shall be established and amended by two thirds of the Senate present and voting. The officers filling those positions shall be appointed by the President with the advice and consent of two thirds of the Senate present and voting.

The President may require the opinion, in writing, of the principal officer in each of the executive departments, upon any subject relating to the duties of their respective offices. The President along with the principal officers of each of the executive departments shall form the Executive Cabinet.
The President shall nominate, and by and with the advice and consent of the Senate, shall appoint justices of the University Court, judges of any inferior court, and all other officers of the Student Government, whose appointments are not herein otherwise provided for, and which shall be established by enactment; but the Senate may by enactment vest the appointment of such inferior officers, as they think proper, in the President alone, in the courts, or in the heads of departments.

The Vice President shall be the Chief Financial Officer of the Student Government.

The Vice President shall keep records of the line item balances in the general appropriations Bill, provide financial reports to the President and Senate, calculate and make public all required fees and Student Government expenses, issue the Student Government Financial Report every fiscal year, and delegate respective executive appropriations as necessary.

Each Academic Area shall have College Council representatives, serving to represent the interests of the Student Body. College Council shall consist of the Vice President serving as Chair and three Councilmembers, from each Academic Area, elected by the Student Body. The Senate shall, by two thirds present and voting, create and amend standing enactments relating to the powers, duties, and subdivisions of each Academic Area’s delegation of representatives; provided that no such enactment may abridge or abolish a subdivision to which a representative has already been elected.

SECTION 3. The President shall from time to time give to the Senate information on the state of the University and recommend to their consideration such measures as judged necessary and expedient.

SECTION 3. Judgments issued from the University Court shall be
final, but subject to review by the Dean of Students, only if the

of their own proceedings, provided that such rules are consistent with
this Constitution and any standing enactments made by the Senate.
SECTION 4. No judicial officer shall, during the time for which they
serve, be elected or appointed to a legislative or executive office under
the authority of Student Government.

   b. Issue appropriate widespread campus announcements, which may include but not
      be limited to broadcast emails, a letter to the editor, or advertisements in the
      campus newspaper at least three (3) class days prior to the opening of the pre-filing
      period for the Fall and Spring elections.

(B) Section 3.B. The announcement shall list the following:

(C) Section 3.C. The Commissioner of Elections shall hold at least two (2) Potential Candidate
   Informational Meetings for any and all interested students before the pre-filing period
   opens. These meetings must be advertised to the Student Body. The purpose of these
   meetings is to give a simple explanation of Student Government, the responsibilities of
   each branch, an overview of campaigning and campaigning practices, and a general
   election timeline in order to increase interest in positions and reach out to more potential
   candidates.

§4. Election Informational Meetings

Section 4. The Commissioner of Elections shall hold Election Informational Meetings before
and/or during the week of pre-file, filing, and qualifying. The purpose of these meeting will be
to provide a simple explanation of basic campaigning guidelines, and a general election
timeline, in hopes of fully educating all prospective candidates on basic election practices. This
meeting is not mandatory for prospective candidates, and at least two shall be offered per
semester. Copies of this Election Code shall be made available to prospective candidates at
these meetings.

§5. Pre-Filing

(A) Section 5.A. A student shall have the option to pre-file for an election to ensure they meet
   all stipulations outlined in Section 7 of this Article for the sought office before the period
   of filing begins. Students who are deemed qualified will be filed and qualified, unless the
   student returns during the filing period to file for a different position; students who are
   deemed unqualified for the seat they had intended to register for will be notified and be
   given the opportunity to file for a different position for which they are qualified during the
   filing period.

(B) Section 5.B. A two (2) day class period for pre-filing shall be opened on the first academic
   week of the election timeframe.

(C) Section 5.C. Each student choosing to pre-file must submit a Pre-Filing Form to the
   Election Board on these two (2) class days from 12:00AM on the first day until 4:30PM on
   the second day. This form may be turned in to the Elections Board by the student
   interested in filing for office. This form shall include
   a. The student’s name;
   b. The student’s LSU identification number;
   c. The Academic Area in which the student is enrolled;
   d. The office sought.
   e. If technically possible, *bona fide* name and/or nickname by which the candidate
      wishes to be known on the ballot
(D) Section 5.D. An Election Board member shall ask the student filing if they are interested in forming a ticket.
   a. If the student then indicates their interest in registering a ticket through pre-filing, a member of the Election Board shall contact them by the end of filing to inform them of how a ticket can be formed.
   b. This information shall not be shared with anyone other than the Election Board.

(E) Section 5.E. The Commissioner of Elections shall deliver these reports to the Student Government Advisor, who shall process the requests and notify the Commissioner of Elections of the results no later than the first (1st) day of filing.

(F) Section 5.F. The Commissioner of Elections shall post these results outside the Student Government Executive Office, the Senate Office, and the Student Government website as soon as they received and no later than the first (1st) day of filing.

§6. Filing

(A) Section 6.A. A person shall file as a candidate by:

      i. No one may file on behalf of a student that is not themselves.
      ii. Official LSU picture ID must be presented at the time of filing. If filing is done through an official University online platform, official University authentication methods (such as logging in to myLSU) shall suffice for this purpose.
   b. Verifying their eligibility by the Election Board.

(B) Section 6.B. A three (3) class day period for filing shall be opened on the second academic week of the election timeframe. Any student may file an intention of candidacy form provided by the Election Board for the office they seek from 12:00 A.M. on the first day to 4:30 P.M. on the final day.

(C) Section 6.C. Once a student has filed for a certain office or race, they are able to refile for a different office or race as long as the filing period has not closed. A student may not be filed for more than one office or race at any one time. Once the filing period has closed, a student may not refile for a different office or race. The only exception applies to President/Vice President candidates and is as follows:
   a. Candidates for Student Body President and Vice President shall both be listed together on the ballot and identified as to which office each candidate seeks. If, after the close of filing, a candidate for Student Body President or Vice President has not qualified, has been disqualified, or has withdrawn, then the remaining candidate may submit the name of a replacement candidate to the Commissioner of Elections, and this replacement candidate must be qualified by the Commissioner of Elections by 4:30 P.M. on the fifth (5th) class day preceding the General Election. The remaining candidate will also have the discretion to refile as either President or Vice President upon selecting their replacement candidate.

(D) Section 6.D. In the event that a candidate wishes to refile for a different position, the most recent filing form will be considered valid.

(E) Section 6.E. If a candidate successfully pre-files for a position, they are automatically filed for that position and, therefore, does not have to file during the designated filing period.

(F) Section 6.F. Any student may request from the Election Board the name of any other student(s) who has already filed for candidacy for any position.

§7. Qualifying
(A) **Section 7.A. Candidate Eligibility**

a. A qualified student is any full-time student that is in accordance with all Campus Life mandated requirements for officers of recognized campus organizations.

b. For all Senate and College Council positions, a candidate must be enrolled at the time of filing in the Academic Area which they are seeking to represent, with the exception of the Graduate School, Paul M. Hebert Law Center, or School of Veterinary Medicine.

   i. Students seeking a Senate or College Council position in the Graduate School, Paul M. Hebert Law Center, or School of Veterinary Medicine must have applied and received provisional or full acceptance prior to the filing process of the election in question in order to run for that position.

   ii. Proper acceptance documentation must be presented to the Student Government Commissioner of Elections at the time of filing to ensure candidate eligibility.

c. If any clerical errors arise on behalf of the University, the Commissioner of Elections shall consult the University Registrar and approve members to run in their appropriate Academic Area or for their desired position on a case-by-case basis.

d. No Senator can file or run for another seat within the LSU Student Senate until the final semester of their current term unless proof of change of Academic Area can be presented to the Commissioner of Elections. Proof of Academic Area must be provided by the University Registrar.

(B) **Section 7.B.** After the closing of the filing period, the Commissioner of Elections shall submit the appropriate information for each potential candidate to the Student Government Advisor for verification.

(E) **Section 7.E.** After any amendments and final approval by the Election Board, the official list of qualified candidates will be posted outside of the Student Government Executive Office, Student Senate Office, and the Student Government website. This shall occur no later than noon (12:00PM) on the second (2nd) class following the closing of the filing period. Appeals to the qualifying of candidates may be filed during this time.

   a. The Commissioner of Elections shall notify all candidates who fail to qualify and give reason for disqualification.

   b. Appeals pertaining to academics and discipline should be addressed to the Student Government Advisor.

   c. All other appeals should be made to the Commissioner of Elections and the Election Board.

(A) **Section 8.A.** All candidates, excluding those running for re-election for the office currently held, must attend a meeting appropriate to the office they are pursuing. These meetings are for the explicit purpose of informing the candidates of their potential duties, responsibilities, and expectations. All meetings will be held on the (2nd) week of the election timeline and a copy of this Election Code shall be made available to all candidates in attendance.

i. All candidates running for the Student Senate must attend one (1) Senate Procedure Instruction Course. This meeting shall be conducted by the Senate staff and volunteer Senators and should be run as a “mock” Senate meeting, providing exemplification of the meeting agenda items and explanations of parliamentary procedure. Senatorial duties will also be outlined at this meeting.

(B) Section 8.B. Each of these meetings is to be attended by either the Commissioner of Elections or a member of the Election Board to ensure that the candidate stays for the meeting’s entirety. Upon arrival, candidates must sign in with the Commissioner of Elections or member of the Election Board and also present a valid form of picture identification.

(C) Section 8.C. In the event that candidates are unable to attend one of the mandatory scheduled instructional courses or meetings, the candidate must notify the Commissioner of Elections before their mandatory scheduled meeting. If an extenuating circumstance as determined by the Election Board occurs on the night of a meeting which causes a candidate to be unable to attend, the candidate must provide a written excuse to the Commissioner of Elections within two (2) class days of the mandatory scheduled meeting. In any case where the candidate becomes excused, the appropriate meeting chair shall work with the Commissioner of Elections to determine alternate arrangements for the candidate. Multiple meetings can be held if deemed necessary.

(D) Section 8.D. There should be ample time during a meeting to answer any questions candidates may have about their potential positions.

(E) Section 8.E. If a candidate does not attend their appropriate meeting, they will be disqualified and therefore no longer considered a candidate.

(A) Section 9.A. Each ticket shall select a Ticket Representative who shall serve as the liaison between the Election Board, the Commissioner of Elections, and the organized ticket.

(B) Section 9.B. The Ticket Representative’s duties shall be to provide the Commissioner of Elections with the Ticket Registration Form the Monday of the first (1st) week of the election timeline and confirm the entire ticket roster no later than one (1) academic week after the end of filing in order to register the ticket with the Election Board.

(B) Section 12.B. Released results shall include the names of any candidates on the official ballot who withdrew and/or were disqualified, the names of those candidates deemed elected, and the number of votes for each candidate at each round of tabulation. If technically possible, ballots cast for all races, with voters’ personally-identifying information deleted, shall also be posted on the Student Government website, along with either the official tabulation software or a link to compatible, publicly available tabulation software.

(C) Section 12.C. Should such results be changed due to judgements on complaints or appeals prior to results becoming final, these notices shall be updated accordingly, and candidates affected by a retabulation of results shall be notified.

§13. Validation of General Election Results

Section 13. If no complaints or appeals are registered by 4:30 P.M on the Friday of the fourth (4th) academic week of the election time frame, all election results shall be deemed final.

ARTICLE IV: Voting

§1. Ballots

(A) Section 1.A. Candidates shall appear on the ballot in a randomly generated order determined by the Election Board.
   a. Student Body President and Vice President shall not be voted on separately; they shall be listed together.
   b. Ticket affiliation shall be listed next to the names of each candidate registered with a ticket.
   c. Independent candidates shall be noted as “Independent.”

(B) Section 1.B. Ballots shall instruct voters to rank the candidates they support in order of preference, with “1” being the highest/most preferred. Voters may rank as many or as few candidates as they wish. Ballot instructions shall include a statement expressing the following idea to voters: “You do not hurt the chances of your higher-ranked candidates by ranking additional candidates.”

(C) Section 1.B. No write-in votes for candidates shall be allowed, and no space for write-ins shall be provided.
(D) **Section 1.D.** Tied preferences (such as giving two candidates in the same contest a first preference) and skipped preferences (such as ranking candidates “1” and “3” without a “2”) shall not be allowed, and the online ballot shall prevent the submission of such rankings while informing the voter of the error. If such prevention is not possible for technical reasons:

- a. The Election Board shall include language in the ballot instructions warning voters that duplicate rankings are not allowed and could result in the voiding of some or all of their rankings.
- b. In the case of a tied preference, if more than one of the tied candidates still survive at that point in the tabulation, the ballot shall be exhausted at that point, even if other candidates have been ranked.
- c. In the case of skipped rankings, lower preferences shall be moved up to fill the skipped preference. (For example, if a “2” is skipped, the “3” or next-highest ranking shall be treated as if it were “2.”)

§2. Voting Identification

**Section 2.** Each member of the Student Body as defined by the Student Government Constitution shall be entitled to vote in each race for which the Student Body Constitution, Bylaws, or other applicable rules entitles them to vote.

§3. Voting Requirements

**Section 3.** An eligible voter must agree to the LSU computer use policy and the Code of Student Conduct in order to access the voting application upon login to “Moodle”.

§4. Online voting

**Section 4.A.** Students may vote from any voting apparatus with access to the internet using “Moodle” or voting stations provided by the Election Board.

**Section 4.B.** In the event that “Moodle” cannot be used for a particular race, the Election Board shall be responsible for holding voting on an alternate online voting portal. A link to vote shall be distributed electronically to all voters eligible to vote in the specific election.

- a. These elections shall follow all other rules listed in the Election Code except Section 6 of this Article.
- b. The Election Board will be responsible for ensuring that all voters meet the requirements to vote in the election. This shall be done by requiring that voters submit their PAWS ID and 89 number and cross referencing them to a list provided by appropriate administrators.
  - i. Any vote submitted by someone ineligible to vote in a given election will not be counted, but no penalty shall be levied against the voter, candidate, or ticket unless a clear intent to deceive or corrupt the election can be demonstrated.
  - ii. Any alleged violation of the Student Code of Conduct or any other University policy will be turned over to SAA for further action.

§5. Voting Times

**Section 5.** The voting application on Election Day, including referendum-only elections, shall be accessible from 12:01 A.M. until 11:59 P.M.

§6. Voting Application
Section 6. Format and structure used by the Information Technology Services (ITS) for online voting must be approved by the Election Board.

§8. Votes to Win General Election

(A) Section 8.A. A candidate who is unopposed when the General Election results are deemed final shall be automatically elected.

(B) Section 8.B. In order to win the General Election, an opposed candidate must receive a percentage threshold of the vote or be among the surviving candidates when the total number of already-elected and surviving candidates is equal to the number of seats up for election.

(C) Section 8.C. The vote threshold required to win outright is determined by calculating the Droop quota, defined as \(\frac{V}{S+1}\) + 1, where \(V\) is the total number of valid votes, \(S\) is the total number of available seats, and the quotient is rounded down to the nearest integer.

a. For example, if there are three (3) seats available, a candidate would need to get more than twenty-five percent (25%) to win outright.

b. In a single-seat contest, the vote threshold is equal to simple majority.

§9. Vote Tabulation

(A) Section 9.A. In single-seat races, votes shall be tabulated as follows:

a. Each voter’s first-preference candidate receives one (1) vote.

b. If, at the end of any round of tabulation, a candidate obtains a majority of votes from non-exhausted ballots, the candidate shall be deemed elected, and tabulation shall be complete.

c. If, at the end of a round of tabulation, no candidate has reached a majority, the following candidate(s) shall be eliminated and ineligible to receive additional votes:

i. The last-place candidate

ii. Any candidate for whom it is mathematically impossible to be elected, given all plausible sequences of vote transfer from eliminated candidates. (In case of doubt, the Election Board shall presume that election remains mathematically possible.)

d. An eliminated candidate’s votes shall be transferred at full value to each voter’s highest-ranked non-eliminated candidate. If all of a voter’s ranked candidates are eliminated, that ballot shall be deemed “exhausted,” and further vote transfers from that ballot shall not be counted for any surviving candidate.

(B) Section 9.B. In multiple-seat races, votes shall be tabulated as follows:

a. Each voter’s first-preference candidate receives one (1) vote.
i. The vote threshold shall be calculated once votes are counted in the first round of tabulation.
ii. Once calculated for a particular multiple-seat election, the vote threshold shall not be reduced on account of exhausted ballots.

b. If, at the end of any round of tabulation, a candidate obtains the vote threshold, the candidate shall be deemed elected, and they shall be ineligible to receive additional votes in further rounds of tabulation.

i. An elected candidate’s votes shall be transferred to each voter’s highest-ranked non-eliminated candidate not already elected at a value of $V(C-T)/C$, where $V$ is the value of each vote when the candidate was elected, $C$ is the candidate’s vote-total when elected, and $T$ is the vote threshold.

ii. In calculating the number of votes to be transferred, if truncation is necessary for technical reasons, any resulting fraction shall be truncated at six decimal places.

c. If, at the end of a round of tabulation, no candidate has reached the vote threshold, the following candidate(s) shall be eliminated and ineligible to receive additional votes:

i. The last-place candidate
ii. Any candidate for whom it is mathematically impossible to be elected, given all plausible sequences of vote transfer from eliminated and already-elected candidates. (In case of doubt, the Election Board shall presume that election remains mathematically possible.)

d. An eliminated candidate’s votes shall be transferred at present value to each voter’s highest-ranked non-eliminated candidate not already elected. If all of a voter’s ranked candidates are eliminated or already elected, that ballot shall be deemed “exhausted,” and further vote transfers from that ballot shall not be counted for any surviving candidate.

e. The tabulation is complete if:

i. All seats have been filled by candidates meeting the vote threshold, or
ii. The combined number of surviving and already-elected candidates is equal to the number of seats contested.

§10. Ties

Section 10. Ties shall be handled as follows:

(A) If a tie prevents the elimination of a candidate (for example, a tie for last place or the last seat to be elected after all transfers from eliminated and already-elected candidates have been completed), the candidate(s) with more votes in the most recent round of tabulation where there was a difference between the affected candidates shall advance.

(B) If the candidates are tied in all previous rounds, one candidate shall be chosen at random to be eliminated. EXCEPTION: if such a tie involves all remaining non-eliminated candidates not already elected, the Election Board shall conduct a special election between the tied candidates.

(C) Only one candidate in a tie shall be eliminated at a time unless the conditions in Sections 9.A.c.ii. or 9.B.c.ii. are met.

§11. Voter and Petition Fraud

(A) Section 11.A. Voter fraud shall be considered casting a ballot on behalf of any individual other than oneself.

(B) Section 11.B. Petition fraud shall be considered signing a petition on behalf of any individual other than oneself.
Section 11.C. Candidates found guilty of voter and/or petition fraud by the Election Board will be subject to:
   a. Disqualification and/or
   b. A report filed with the Student Government Advisor of such action for review of potential violations of the Student Code of Conduct.

Section 11.D. Non-candidate students or groups found guilty of voter and/or petition fraud by the Election Board will be reported to the Student Government Advisor for review of potential violations of the Student Code of Conduct.

Section 11.E. Elections containing fraud shall be examined by the Election Board, and subject to appeal, and said action must be submitted in writing or by e-mail to all candidates involved within eight (8) hours of said action.

Section 11.F. Appeals to an Election Board decision regarding voter and/or petition fraud will be made directly to the University Court.

The Ticket Representative shall confirm the ticket’s roster of candidates no later than one (1) academic week after the end of filing. Candidates registered with a ticket will waive responsibility for submitting individual financial forms and instead be included in the ticket financial form.
§4. Non-Recognized Tickets

(A) Section 4.A. Only a ticket that is registered and recognized by the Election Board as a ticket may operate as such.

(B) Section 4.B. Any group or affiliation of candidates that act as a ticket without being recognized as such, and utilize the privileges granted to a ticket, primarily those of collective finances and commonly recognized materials and organization, will be held in violation and subject to penalties from the Election Board.

a. Collective finances shall be defined as, but not limited to, two or more candidates and/or tickets jointly expending monetary contributions that were originally given to separate candidates or tickets.

b. Commonly recognized materials shall be defined as, but not limited to, two or more candidates and/or tickets jointly producing campaign materials that do not clearly identify each individual or candidate as members of the separate tickets originally denoted at the time of ticket registration.

c. This section shall not be construed to prohibit a ticket or candidate from endorsing and/or otherwise supporting other tickets or candidates, including endorsement of a specific order of candidate preferences, provided that the above restrictions on collective finances and commonly recognized materials are followed.

ARTICLE VI: Campaigning Practices

§1. Definition of Campaigning

(A) Section 1.A. Campaigning is any activity by a candidate or ticket member that is intended or likely to affect how a voter casts a ballot. This includes the placement of any signs or the like on display and the solicitation of the vote of any LSU student.
